I want to be

Some people often say to me: "Have you decided what you want to be?" I usually answer, "I don't know," But it isn't really so. I want to win an Olympic race, I want to see the Earth from space, I want to travel to Katmandu I want to be rich and famous, too. I want to be on Hollywood's screen, I want to invent a new machine, I want to be very clever and wise, I want to win the Nobel prize.

A PROVERB:

Every man is a <u>blacksmith</u> of his fortune. -

Всякий человек своему счастью кузнец.
