The background is a light blue gradient with several white geometric elements. On the left, there are faint, semi-circular patterns of horizontal lines. In the top-left corner, there is a bright white starburst. In the bottom-left corner, there is another smaller white starburst. On the right side, there are several overlapping white curved lines that form a partial globe or sphere. A bright white starburst is located at the intersection of these lines. In the bottom-right corner, there is a small white starburst. The text is centered in the upper-left quadrant of the image.
