Кто
вдыхает
на
ходу?

Бычок

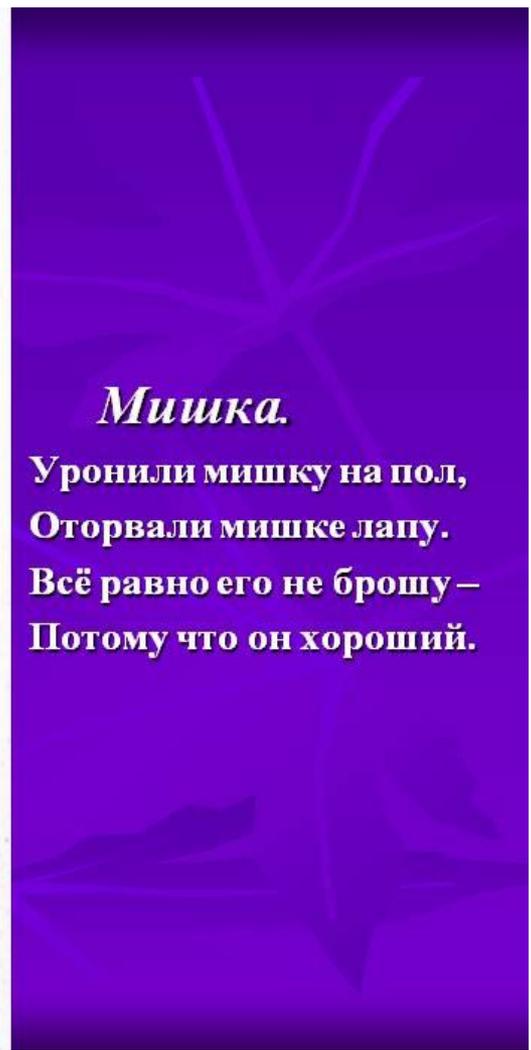

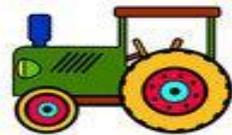

Идет бычок, качается,
Вздыхает на ходу:
- Ох, доска кончается,
Сейчас я упаду!

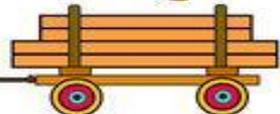

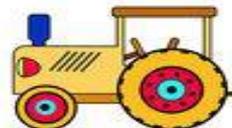

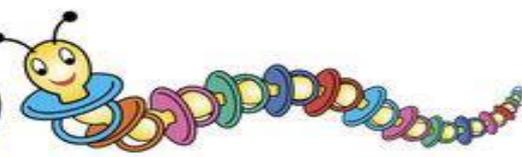

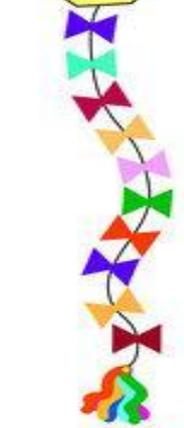

Кому
оторвал
и лапу?

Мишка.

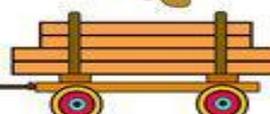

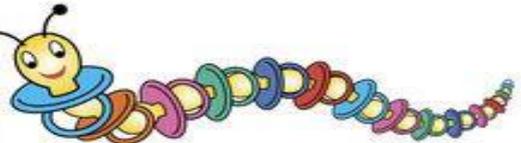

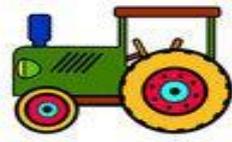

Уронили мишку на пол,
Оторвали мишке лапу.
Всё равно его не брошу –
Потому что он хороший.

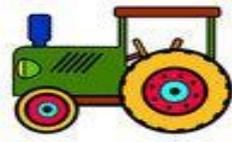

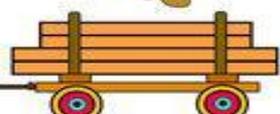

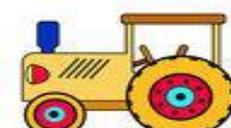

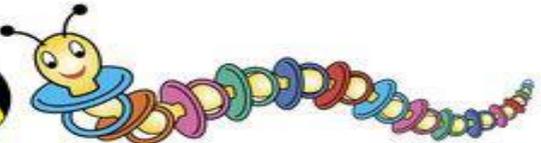

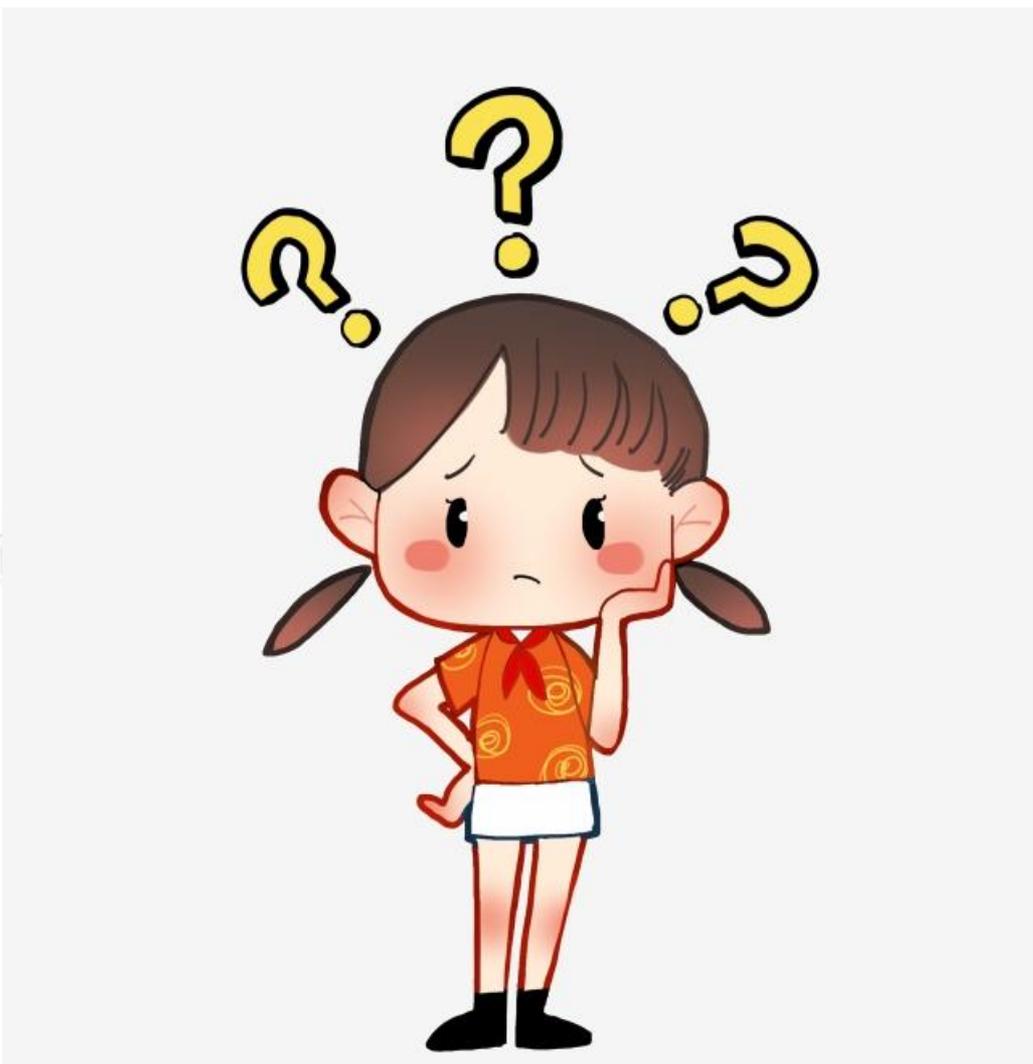

Кто
остался
под
дождём?

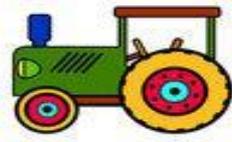

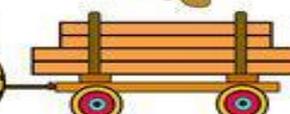

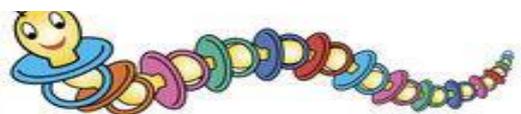

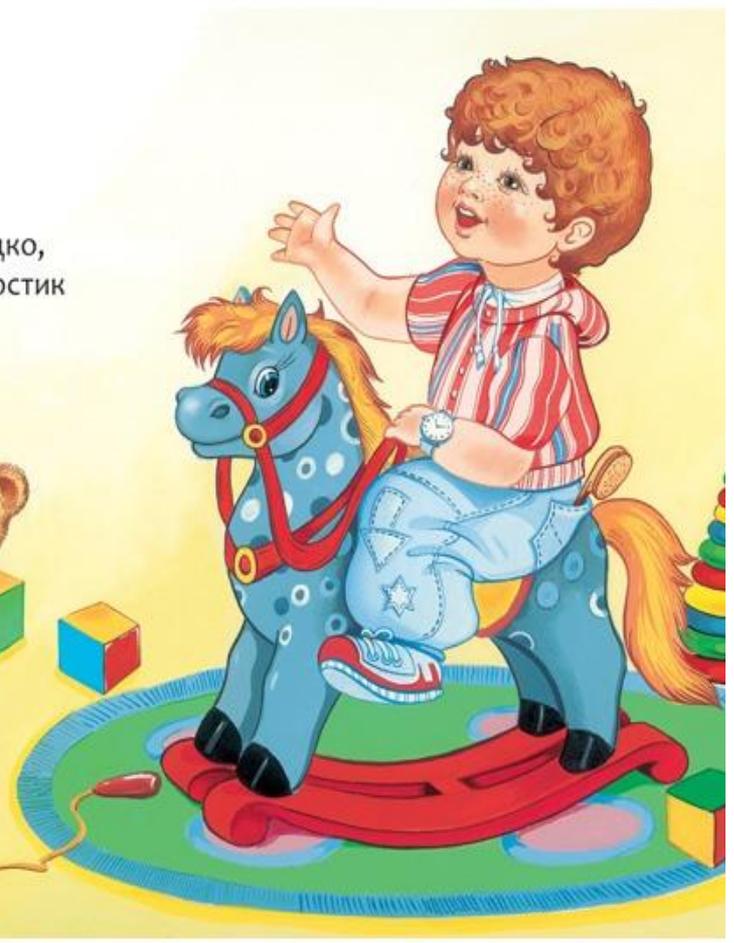

На ком
 верхом
 поедем
 в
 гости?

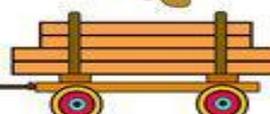

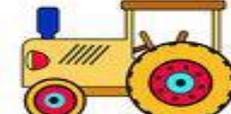

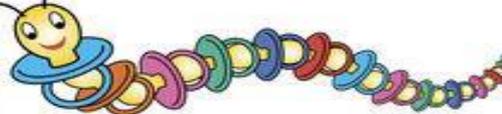

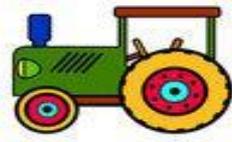

ЛОШАДКА

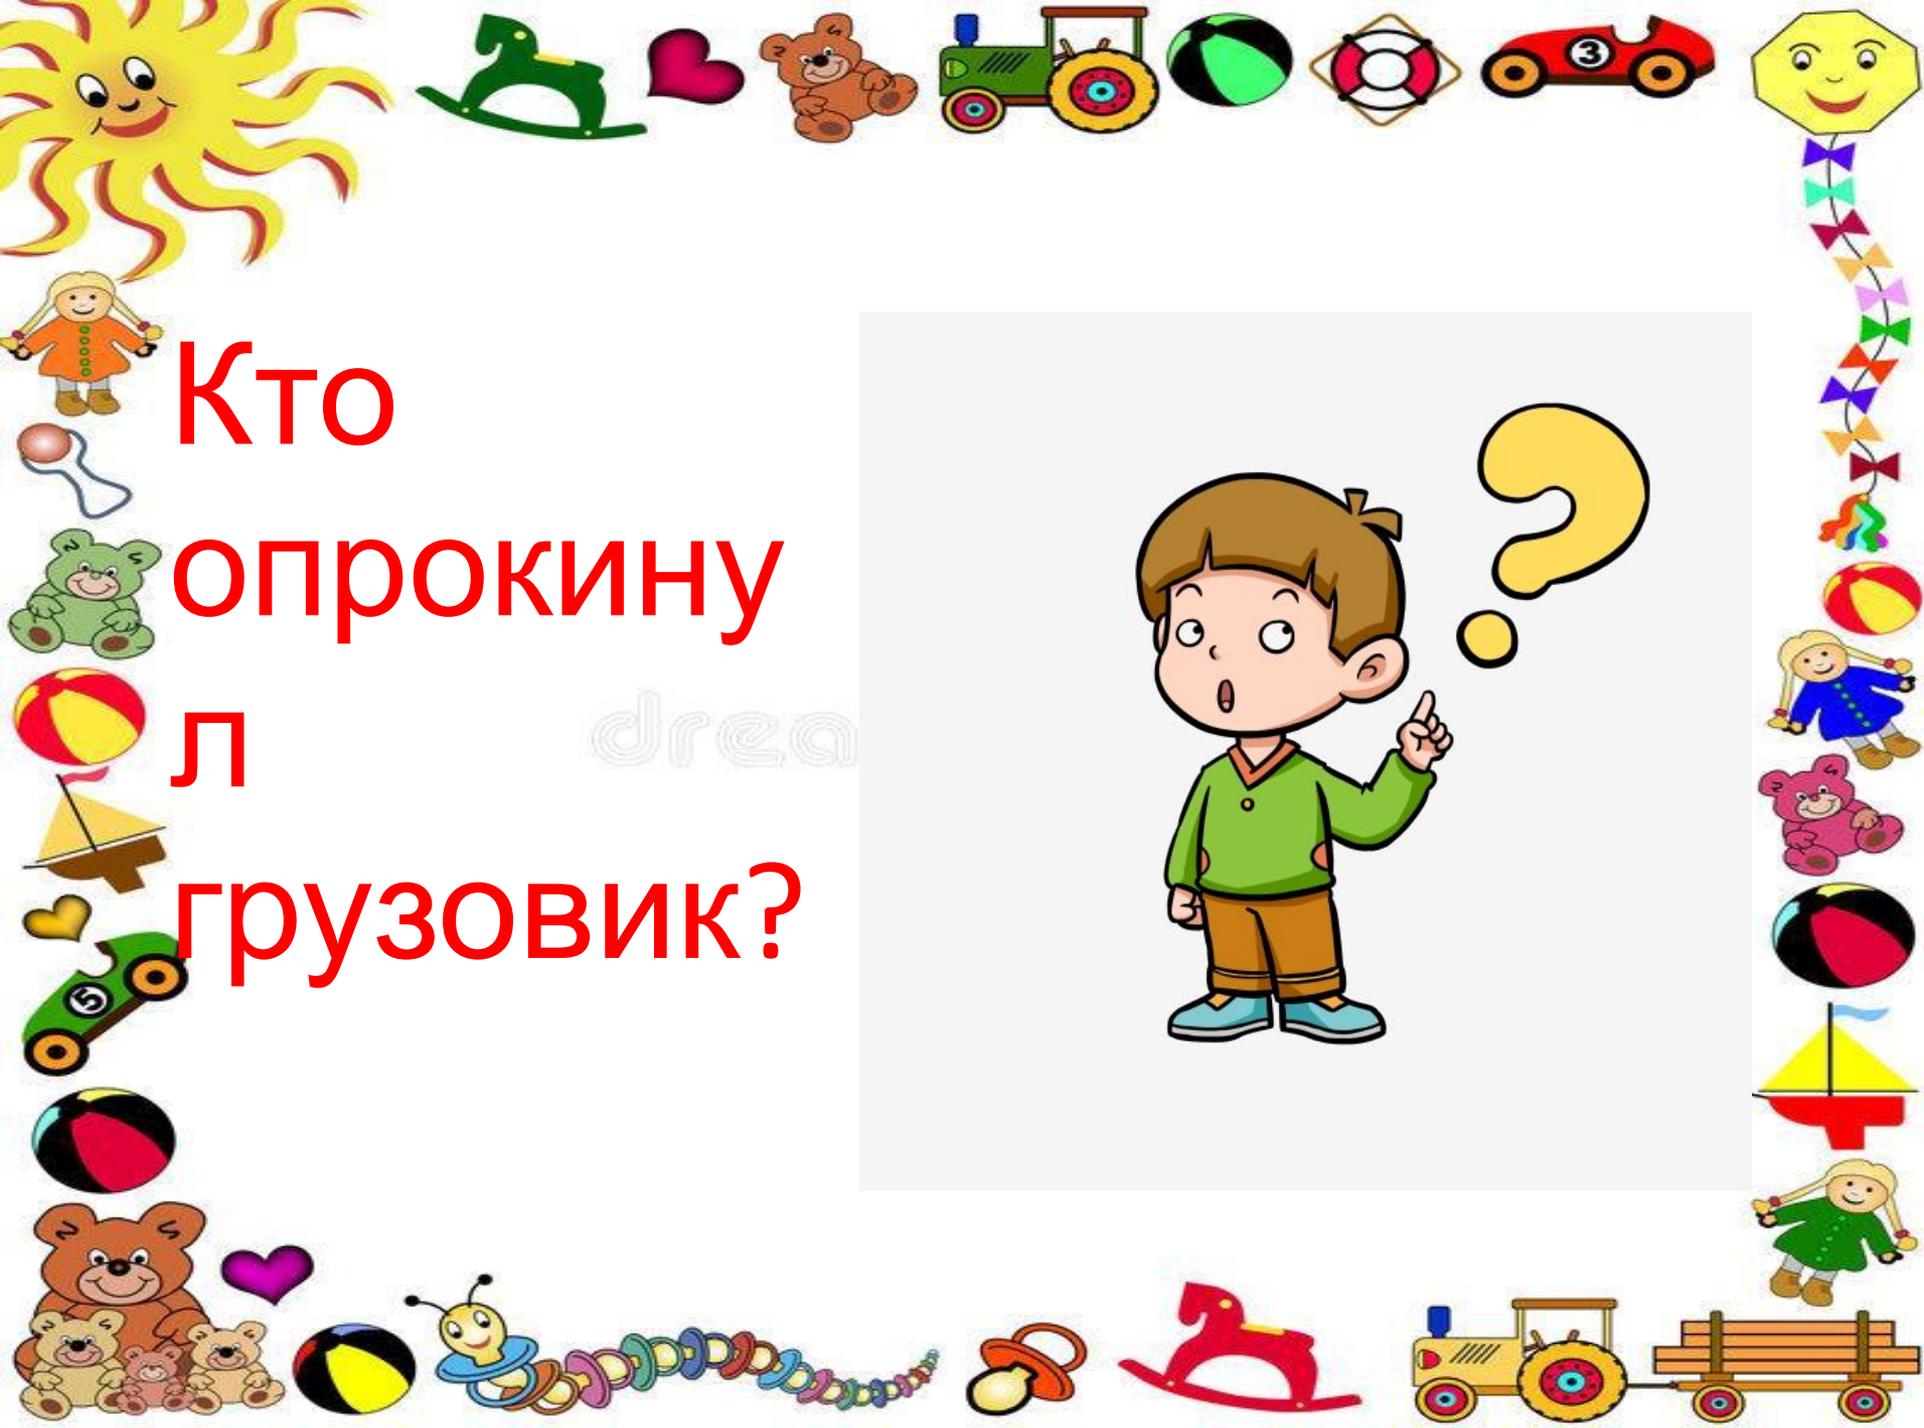

Я люблю свою лошадку,
Причешу ей шёрстку гладко,
Гребешком приглажу хвостик
И верхом поеду в гости.

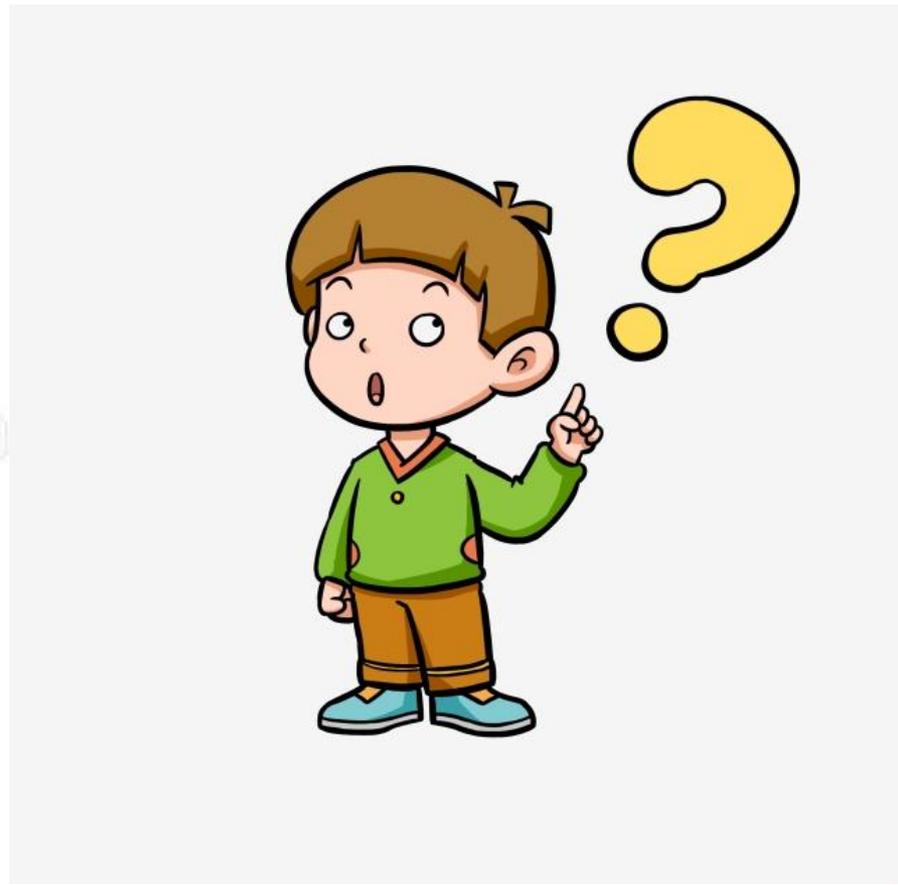

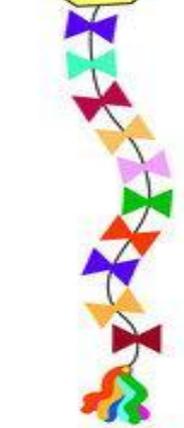

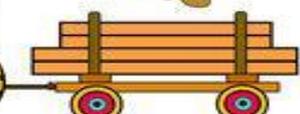

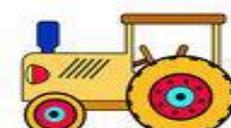

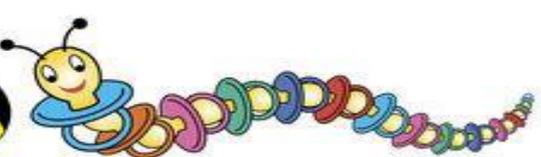

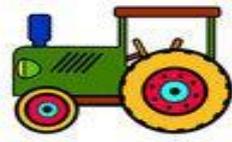

Кто не
хочет
спать?

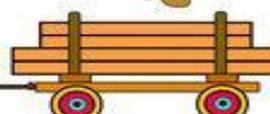

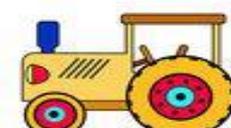

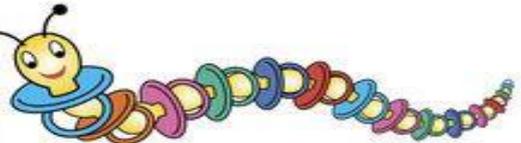

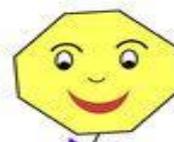

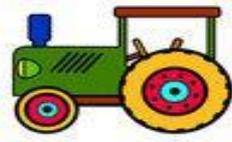

Кто
опрокинул
грузовик?

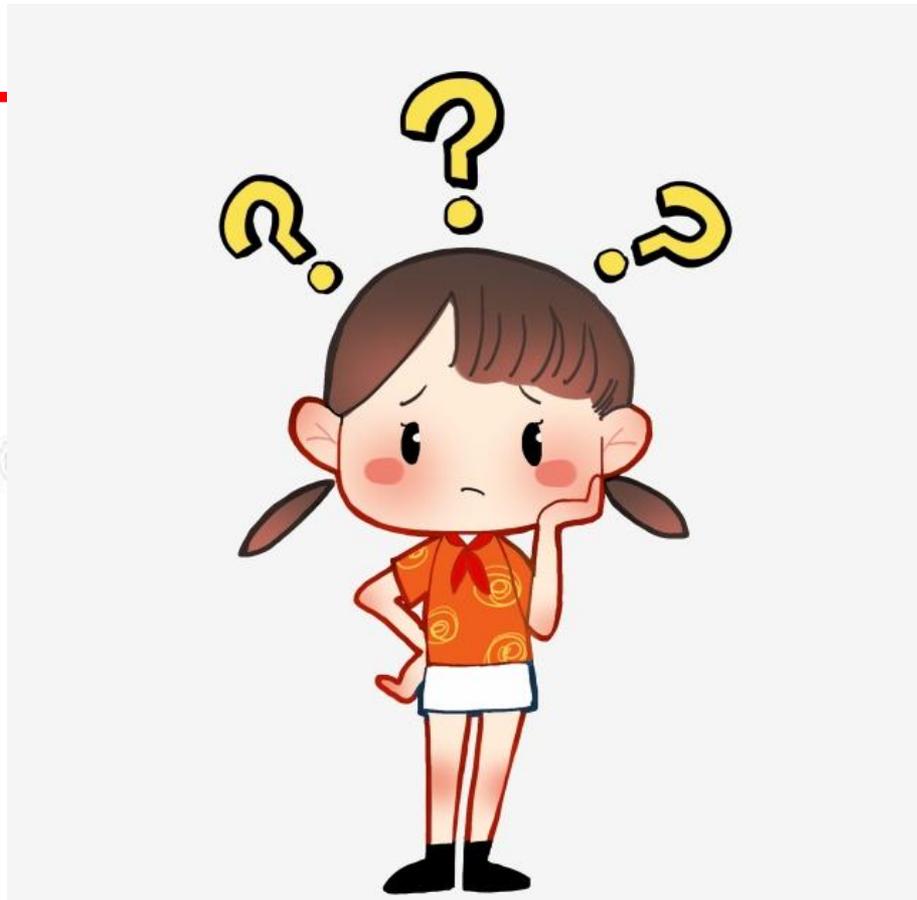

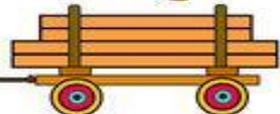

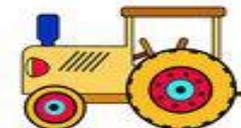

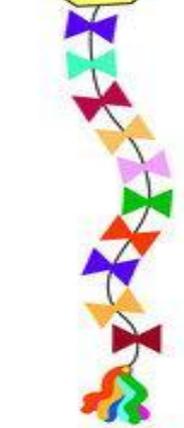

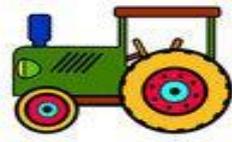

Нет, напрасно мы решили
 Прокатить кота в машине:
 Кот кататься не привык—
 Опрокинул грузовик.

Что тянет
мальчик
по
быстрой
реке?

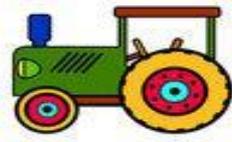

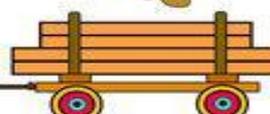

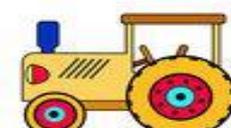

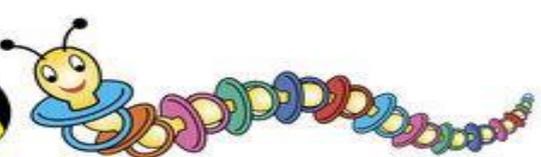

Что
построим
сами?

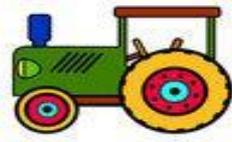

Самолёт

Самолёт построим сами,
Понесёмся над лесами.
Понесёмся над лесами,
А потом вернёмся к маме.

МОЛОДЦЫ!
