Polina

For me hobby is what I like to do in my spare time. There are a lot of hobbies nowadays. Many people collect something – coins, stamps, pens, toys and many others.

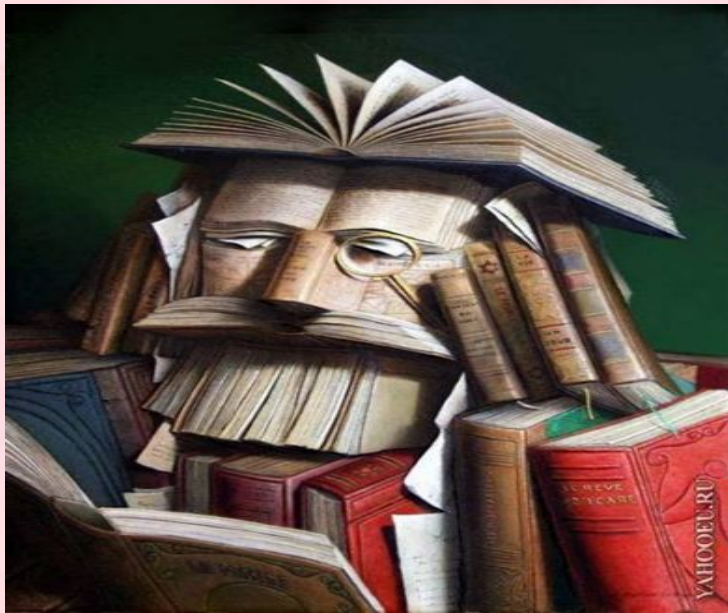

But my hobby is reading. And I have a lot of books at home.

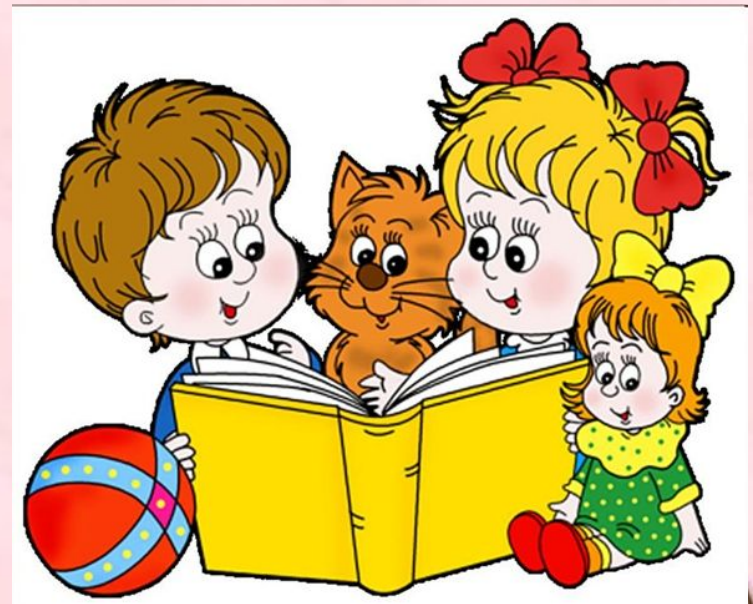

I like to read fairy tales, novels, detectives, historical books and any kind of books that I find interesting.

I like to read because my grandmother always read me some fairy tales and stories during my childhood.

As for me I choose books...
