I am Polly.

I am Adelina.

I am Polly

I am Ulyana.

I am Ksenia.

I am  
Polly.

**We are the pupils of the third form and good friends. But now we want to tell you not about ourselves, but about our class.**

**It was born on the 1<sup>st</sup> of September in the town of Safonovo  
in school №4.**

**This is our comfortable and cosy classroom.**

There are 22 pupils in our class:

9 boys

13 girls

The total weight of our class is  
661 kg.

The total growth of our class  
is 29 meters.

**This is our form teacher Korzhueva Larisa Gennadievna.  
She is very clever and kind.**

**Our teacher of  
English**

**Our teacher of  
physical  
education**

**Our teacher of  
music**

**Our teachers are very talented.**

# We have a lot of hobbies.

We like to dance very much.  
And we take part in all school concerts.

**We are fond of sports.**

**And we are proud of our champions.**

**English is one of our favorite subjects.**

We are very active and take part in different festivals, contests and Olympiads.

**Reading is one of our hobby.  
And we like to visit our town library.**

After lessons our teacher , parents and we like to spend time together, visiting different places.

**WELCOME TO US**
