# NEW YORK CITY

WJAL BAE

New York is one of the largest cities of the USA and of the world as well. It is an important centre of culture. Some people say it is the cultural capital of the world.

Manhattan, a very important business part of the city is an island. In Manhattan avenues go north and south, and most streets go east and west. They have numbers or names. Both avenues and streets are usually straight.

Central Park is situated in Manhattan too. It is a very pleasant place, a green island in the middle of a busy city. There are some lakes and ponds, two skating rinks and a

Fifth Avenue is popular with New Yorkers and tourists. It is famous for its shops where you can buy everything you want.

The Metropolitan Museum is situated on Fifth Avenue as well. The museum has a wonderful collection of paintings and is the biggest museum in New York.

New York is a city of skyscrapers. Some of them are not very beautiful, but some are wonderful and very modern. From some skyscrapers you can look at the city and enjoy its beauty.

Everybody knows the Statue of Liberty, the famous symbol of the USA. It stands on Liberty Island not far from New York. The statue was a present from French people to Americans.

Thank  
You!
