

THE FIRST WORDS about WELDING

Автор:

**Зинцова Ирина Петровна,
преподаватель английского языка
ГБПОУ РО «ВТММ»**

welder equipment

welder shield

welder jacket

welder pants

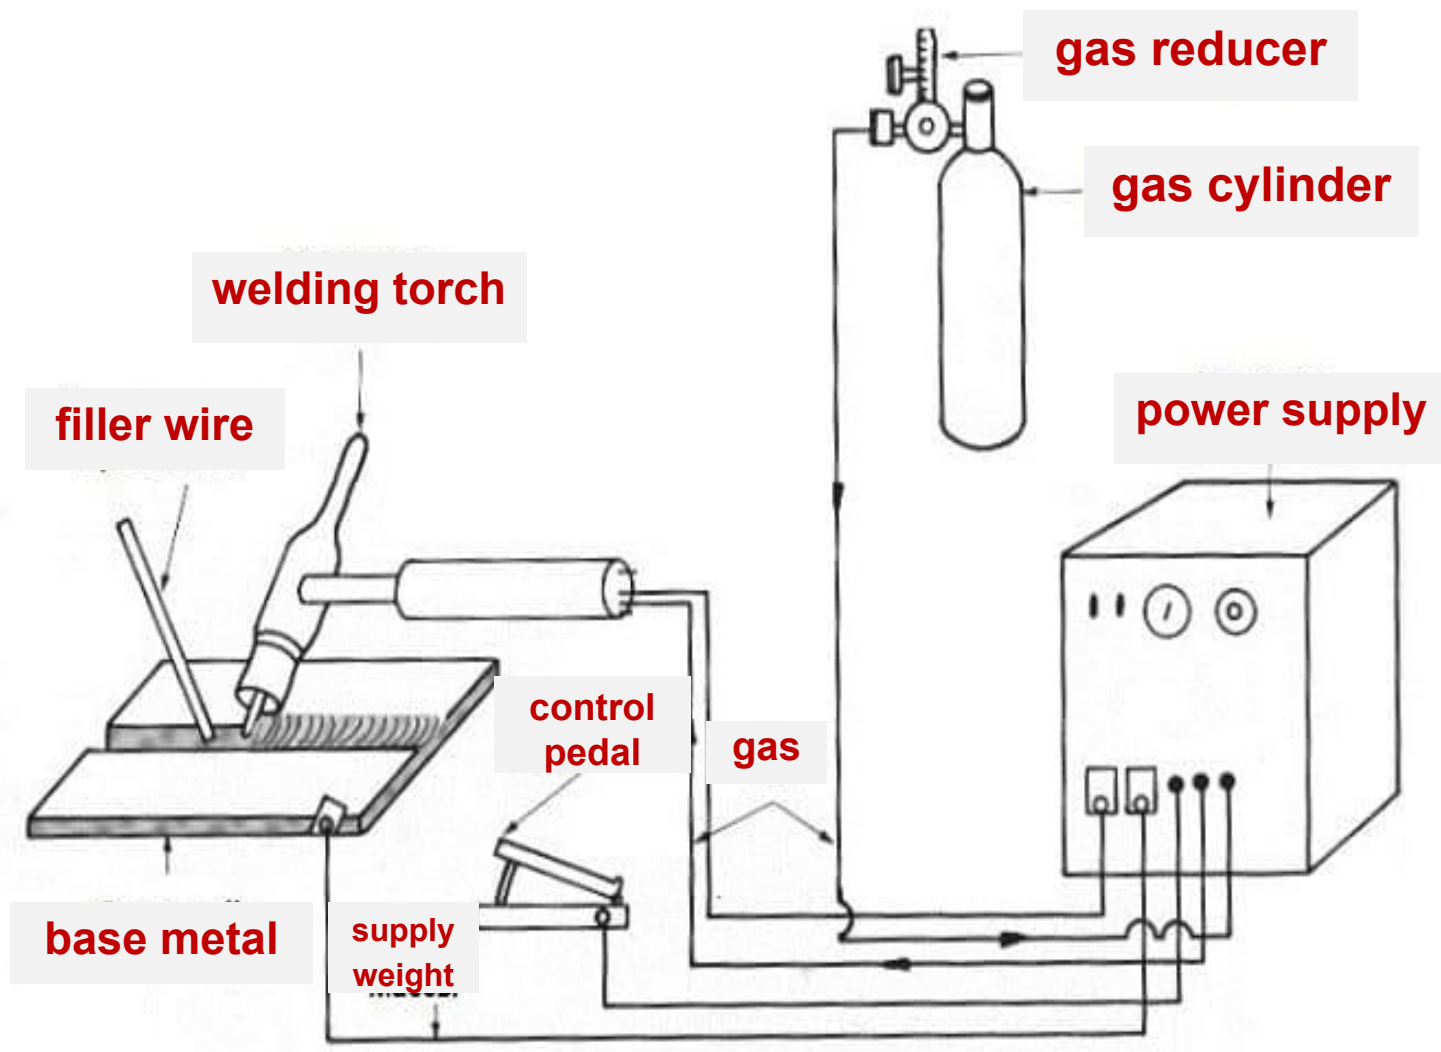

welder shoes

welding gloves

Equip a welder!

gas reducer

gas cylinder

welding torch

filler wire

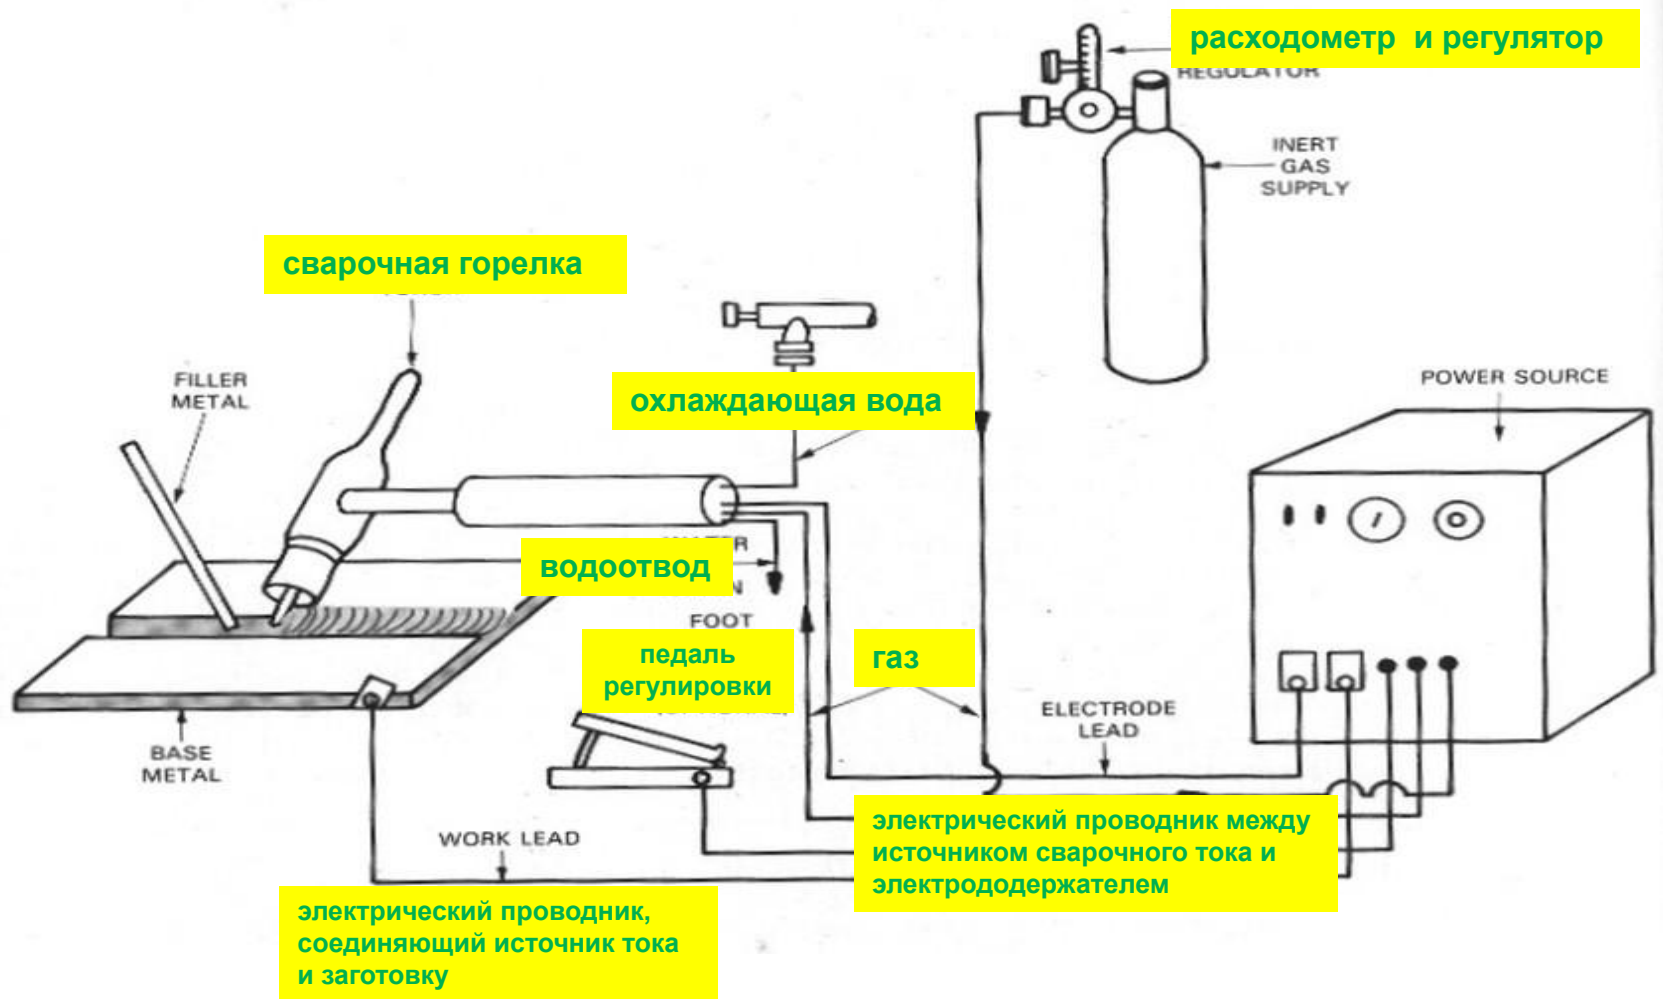

power supply

control pedal

gas

base metal

supply weight

flowmeter and regulator

1

electrode lead

4

foot pedal fine control

8

water to drain

7

power source

3

torch

10

cooling water

6

gas

5

inert gas supply

2

work lead

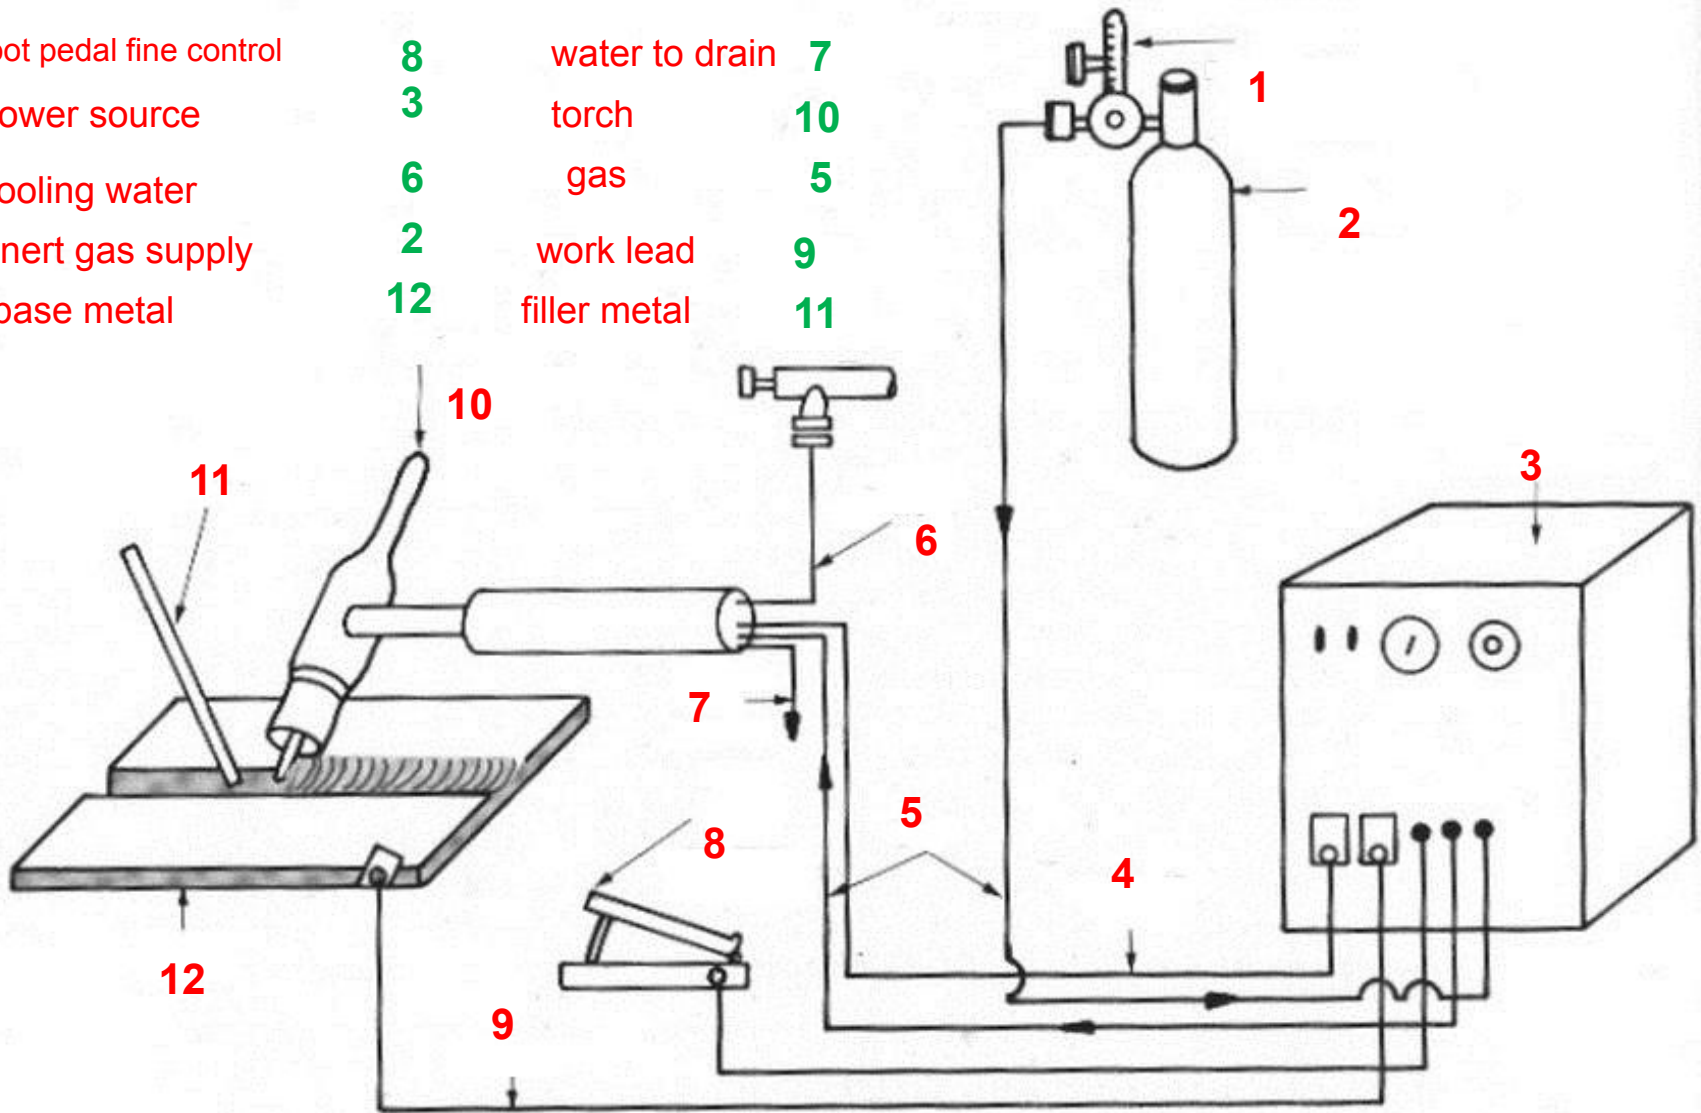

9

base metal

12

filler metal

11

flowmeter and regulator

foot pedal fine control

power source

cooling water

inert gas supply

base metal

electrode lead

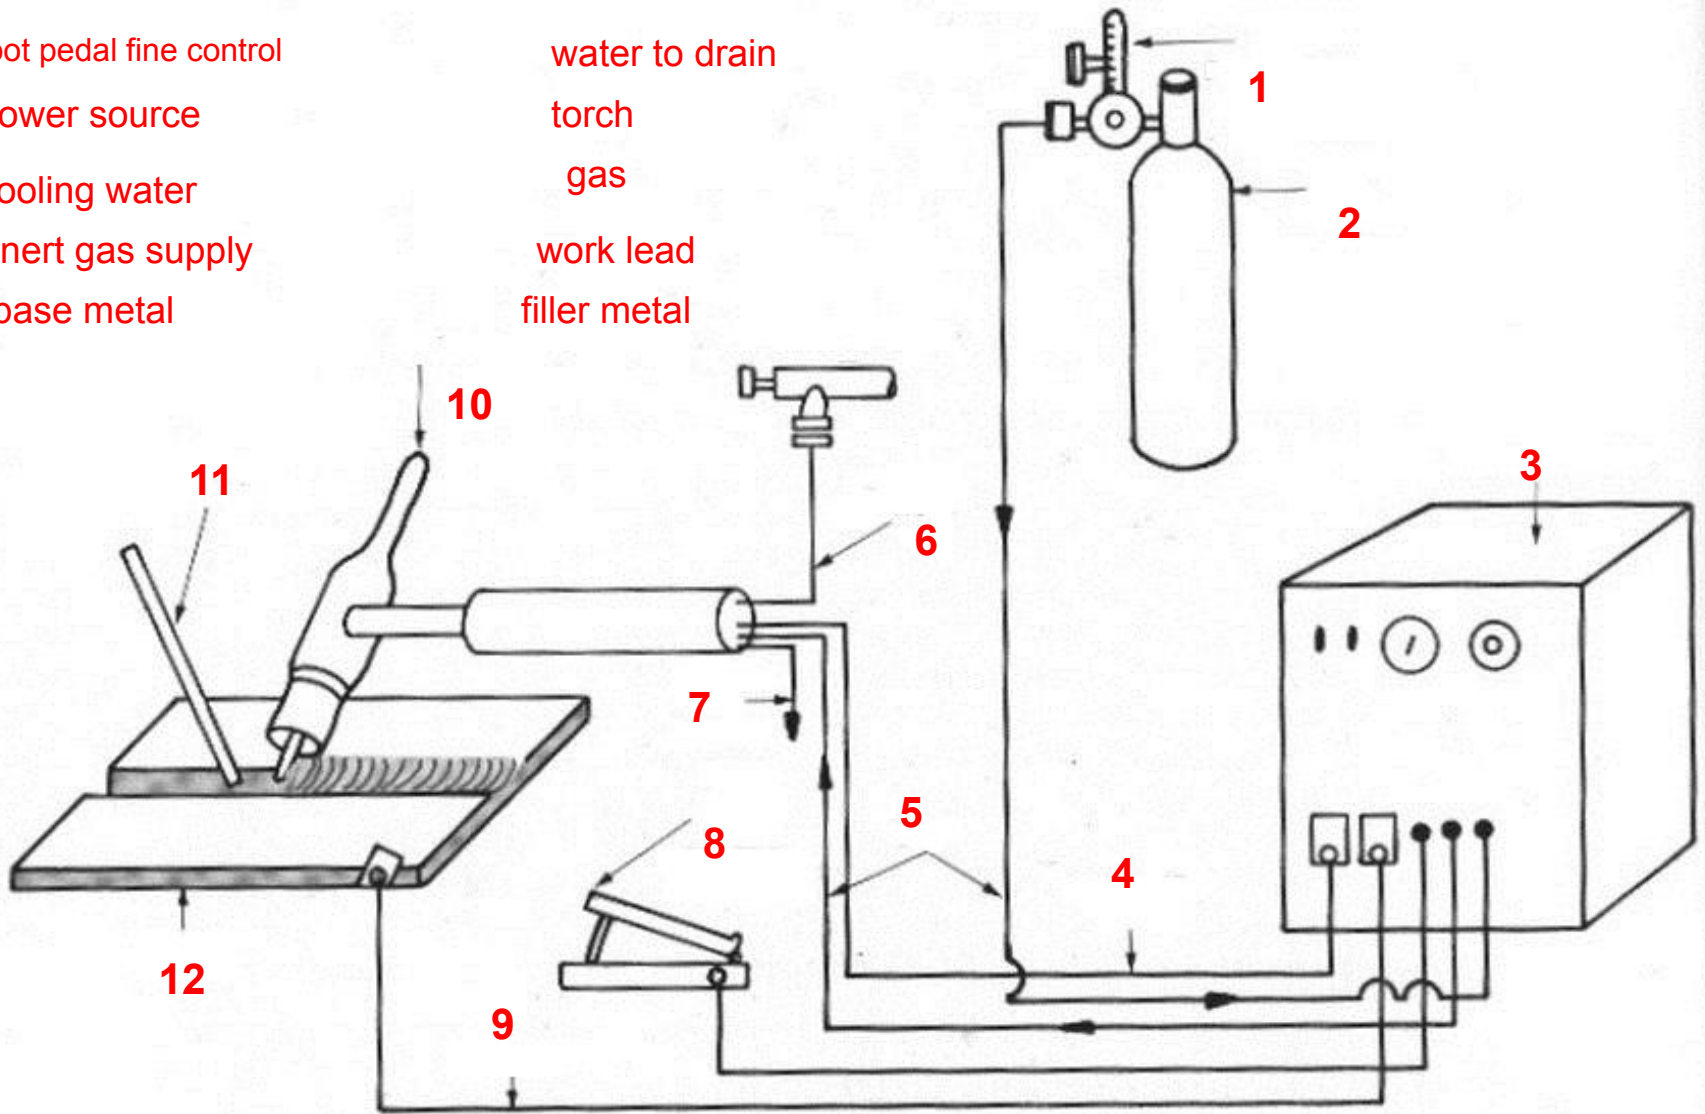

water to drain

torch

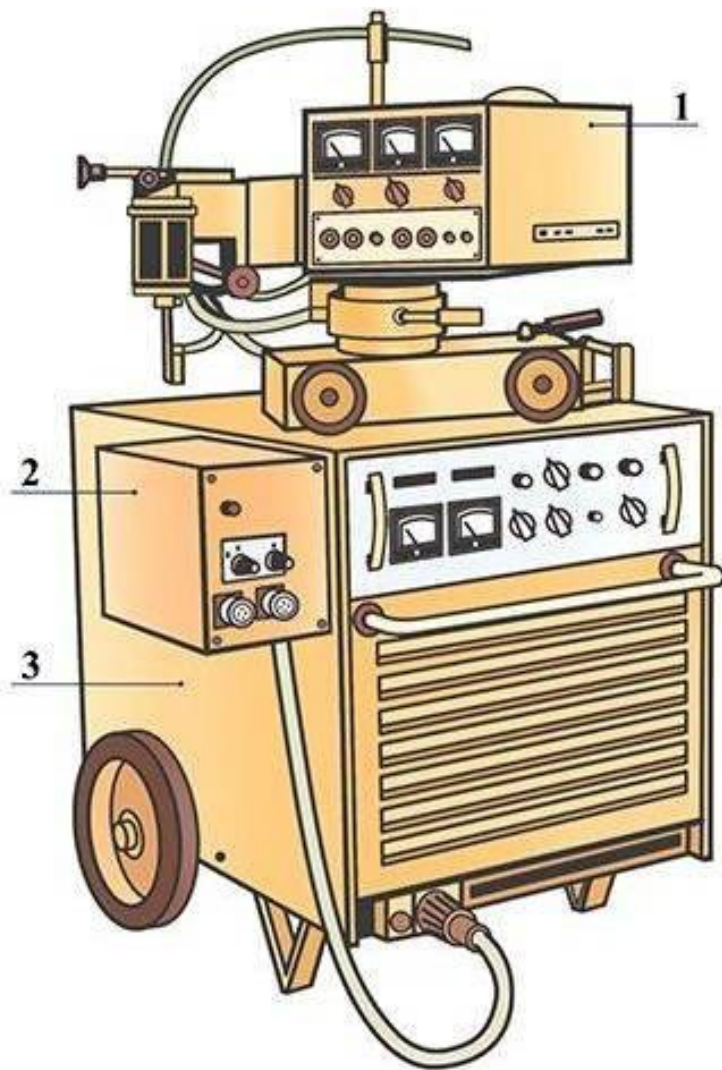

gas

work lead

filler metal

welding machine АДГ-502

1. сварочный трактор
2. сварочный выпрямитель ВДУ-500-1
3. дополнительный пульт управления

welding rectifier

welding tractor

additional control panel
