

SHE SELLS SEA SHELLS ...

A vertical string of various seashells hangs from the top left corner against a blue gradient background. The shells include a large brown spiral shell at the top, several smaller conical shells, and a large brown starfish-shaped shell in the middle. The background transitions from a light blue at the bottom to a darker teal at the top.

seashore*

*The shells she sells are
seashells, I'm sure
So if she sells seashells on
the seashore
Then I'm sure she sells
seashore shells.*

A collection of seashells of various sizes and colors, including brown, tan, and white, arranged on a dark, textured surface.
