

A collection of school supplies is shown. At the top, a row of colorful pencils is visible. Below them, a white banner contains the text 'Public Schools'. In the foreground, a clear ruler with millimeter and centimeter markings is laid out. A green pencil with a silver eraser and a blue eraser is positioned across the ruler. A silver pencil sharpener is in the bottom left. Three light green circles are overlaid on the image: one on the pencil's eraser, one on the ruler, and one on the blue eraser.

Public Schools
