# Драгунский Виктор Юзефович

*1 декабря 1913 — 6 мая 1972*

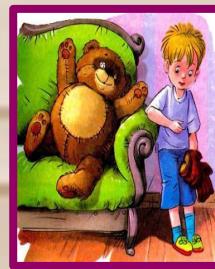

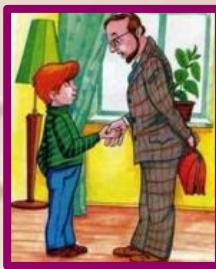

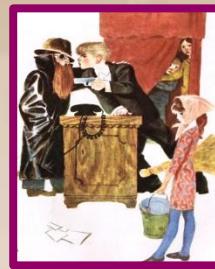

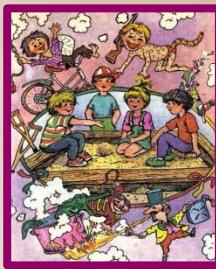

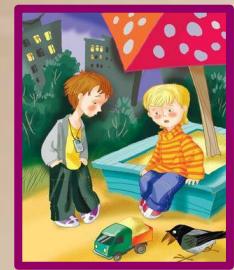

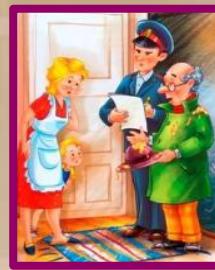

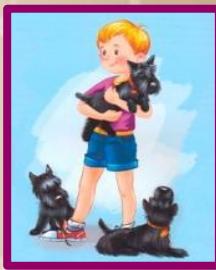

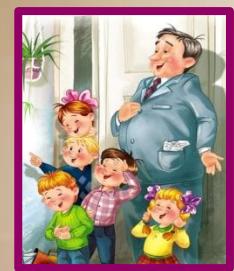

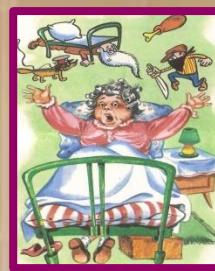

Виктор Юзефович написал цикл веселых и забавных рассказов о Денисе Кораблёве, и его друге Мишке Слонове. Весь цикл называется «Денискины рассказы». В центре этих рассказов находится пытливый и доверчивый Дениска и его антипод – товарищ Мишка, немного заторможенный и мечтательный.

Ребята, щёлкнув по маленькой картинке, вы сможете узнать, к какому рассказу В.Ю. Драгунского эта иллюстрация.
