

# *The influence of the English language on Russian Youth Slang.*

*МБОУ «Гимназия №125» г.Казани  
Гарифуллина Алсу*

# Youth takes 1/3 part of the world population

**Youth slang** is the object of our study

**The subject** of our research is English loan words in youth slang of Russian teenagers.

So the aim of our study was to analyse the usage of English loans among teens' slang expressions and see if such words become a language norm after some period of time of their existence in the language.

sub

language

describing relations  
between people

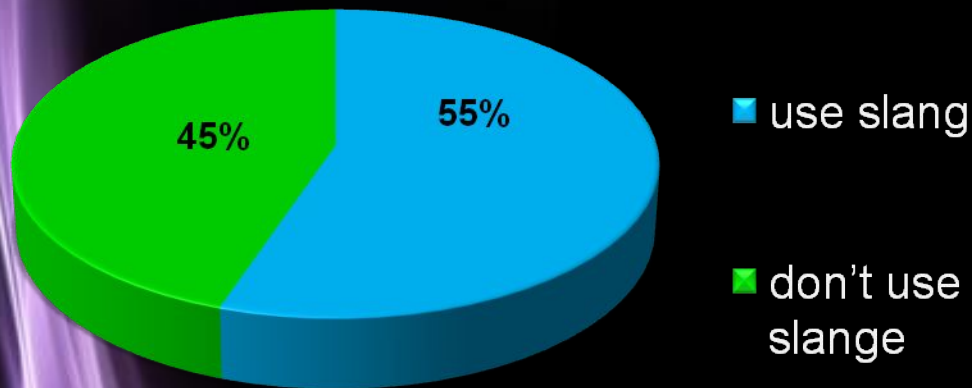

naming  
people

***SLANG LOAN WORDS***

devoted to  
leisure  
activities

emotional and expressive  
words

# Slang usage among teenagers

# Sources of slang

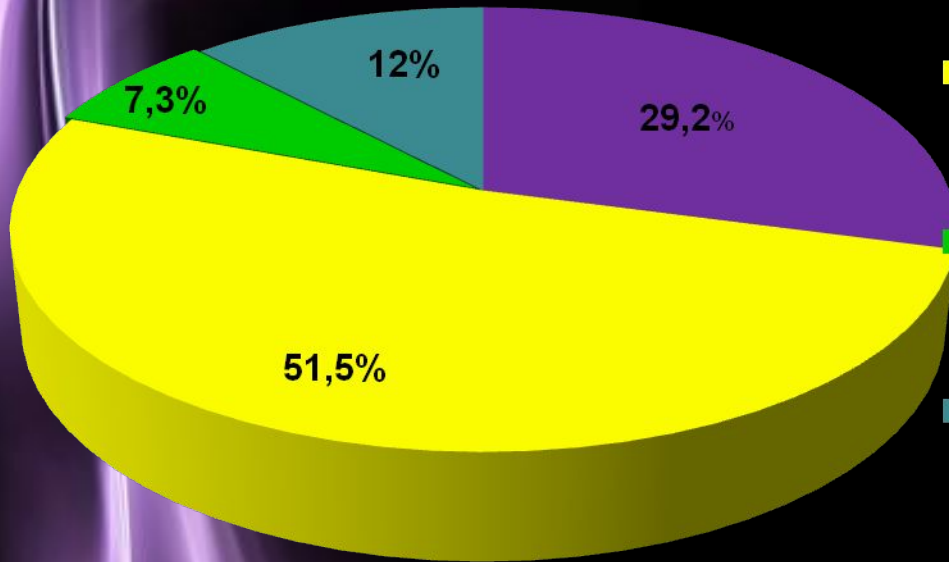

■ Internet, the mass media

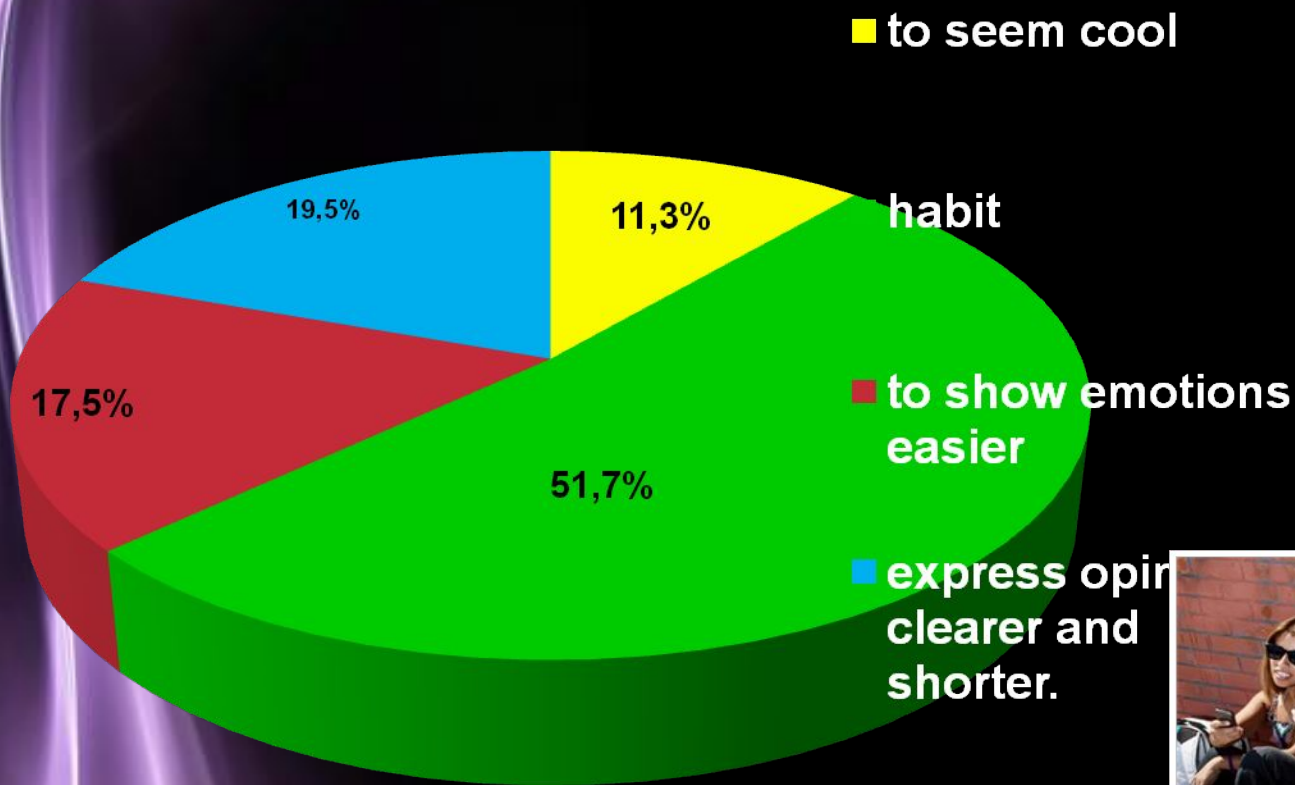

■ friends

■ make their own slang

■ music, subcultures

# Reasons of using slang

**So slang is not a language, dialect, or ordinary register. It is a special code that differentiates those who are 'with it', who 'make the scene'**

The background features a dark purple to black gradient with several glowing, ethereal purple lines that flow and swirl across the left side of the frame, creating a sense of movement and depth. The text is centered in the upper half of the image.
