

Princess Diana of Wales

Princess Diana's Background

*Born July 1, 1961, in Sandringham, England

*Married Prince Charles on July 29, 1981

*They had two children: Prince William and Prince Henry

*They divorced in 1996

*Diana died on August 31, 1997, after a car crash in Paris

Family

The whole family in happier times.

Princess Diana had two sons, who meant the world to her.

Diana's Leadership Qualities

- Good Listener
- People Person
- Caring
- Influential
- Determined
- Giving
- Courteous
- Proud

Accomplishments

Devoted countless hours of her life to those less fortunate and showed that each one of us can make a difference.

Lifted the spirits of those who met her by listening, empathizing, and caring.

Chrities and Campaigns

Princess Diana was involved with numerous charities working to help children, homeless people, and AIDS sufferers, as well as the campaign to ban land mines.

She was always helping the children that was in need.

Princess Diana
quoted,

*“I understand people’s
suffering, people’s pain,
more than you will ever
know yourself.”*

Conclusion

- The reason that I picked Princess Diana is because of the respect that the people have for her. Princess Diana used her fame and fortune to help people, unlike most in her position. I believe that she was truly a caring person and in this world there are not enough people like her.
