

*Let's talk !*

*Unit 7 «Weather. Seasons»*

The bottom half of the slide features a blurred background image of a snowy landscape with trees and a path. Overlaid on this background are several horizontal decorative lines: a solid dark teal line, followed by a thin white line, and then two more thin white lines.

Let's sing!

# What are we going to talk about?

- Colours?
  - Sky? Grass?..... Nature objects?
  - Weather?
  - Seasons?
- 
- Pictures? Let's try!

What is our aim today?

I can.....

I can describe a picture!

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

*Morning in a Pine Forest*  
*by Russian artists Ivan Shishkin*

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

Bank of the Volga after the storm  
*by Russian artists Feodor Vasilyev*

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

The winter road

*by Russian artists Vladimir Pchelin*

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

Winter

*by Russian artists Valentin Serov*

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

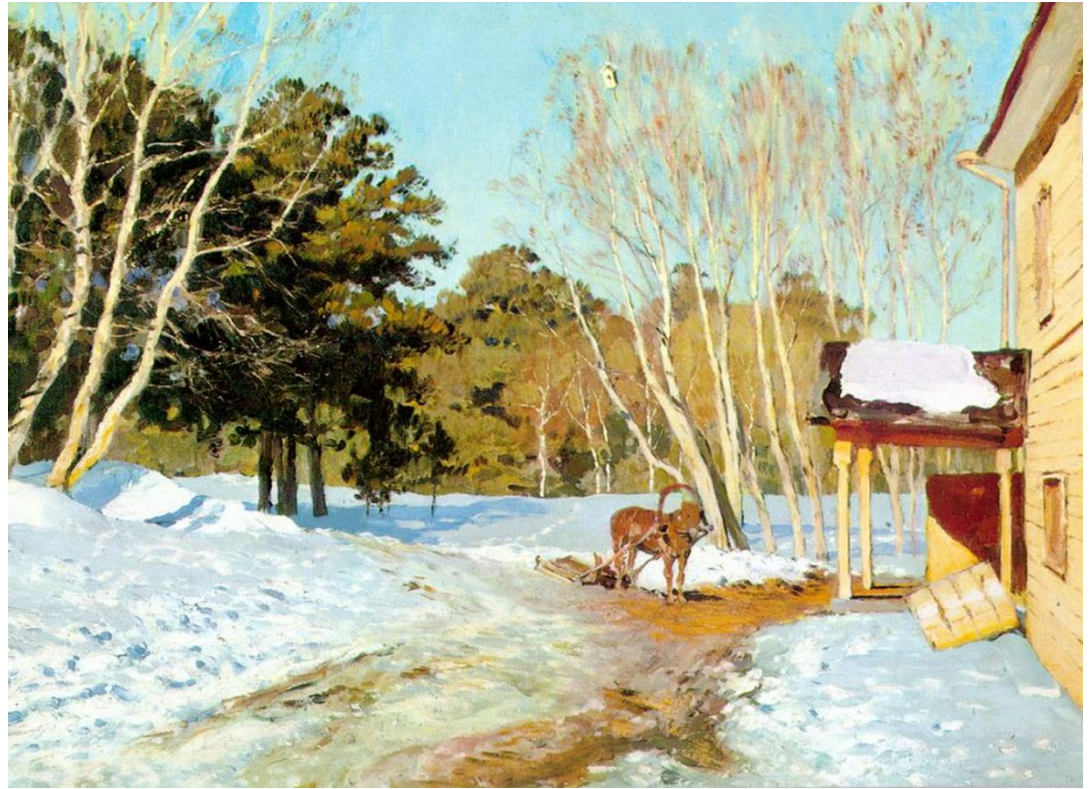

Gold Autumn

*by Russian artists Vasily Polenov*

# What can you see on the picture?

- On the picture  
I can see....  
There is/are...
- I think  
it is ....
- The weather is...

# Cinquain

- Синкве́йн (от фр. *cinquains*, англ. *cinquain*) — пятистрочная стихотворная форма, возникшая в США в начале XX века под влиянием японской поэзии. В дальнейшем стала использоваться (в последнее время, с 1997 года, и в России) в дидактических целях, как **эффективный метод развития образной речи**, который позволяет быстро получить результат
