

**“The whole world - theatre,
and the people in it - the actors”.**
William Shakespeare

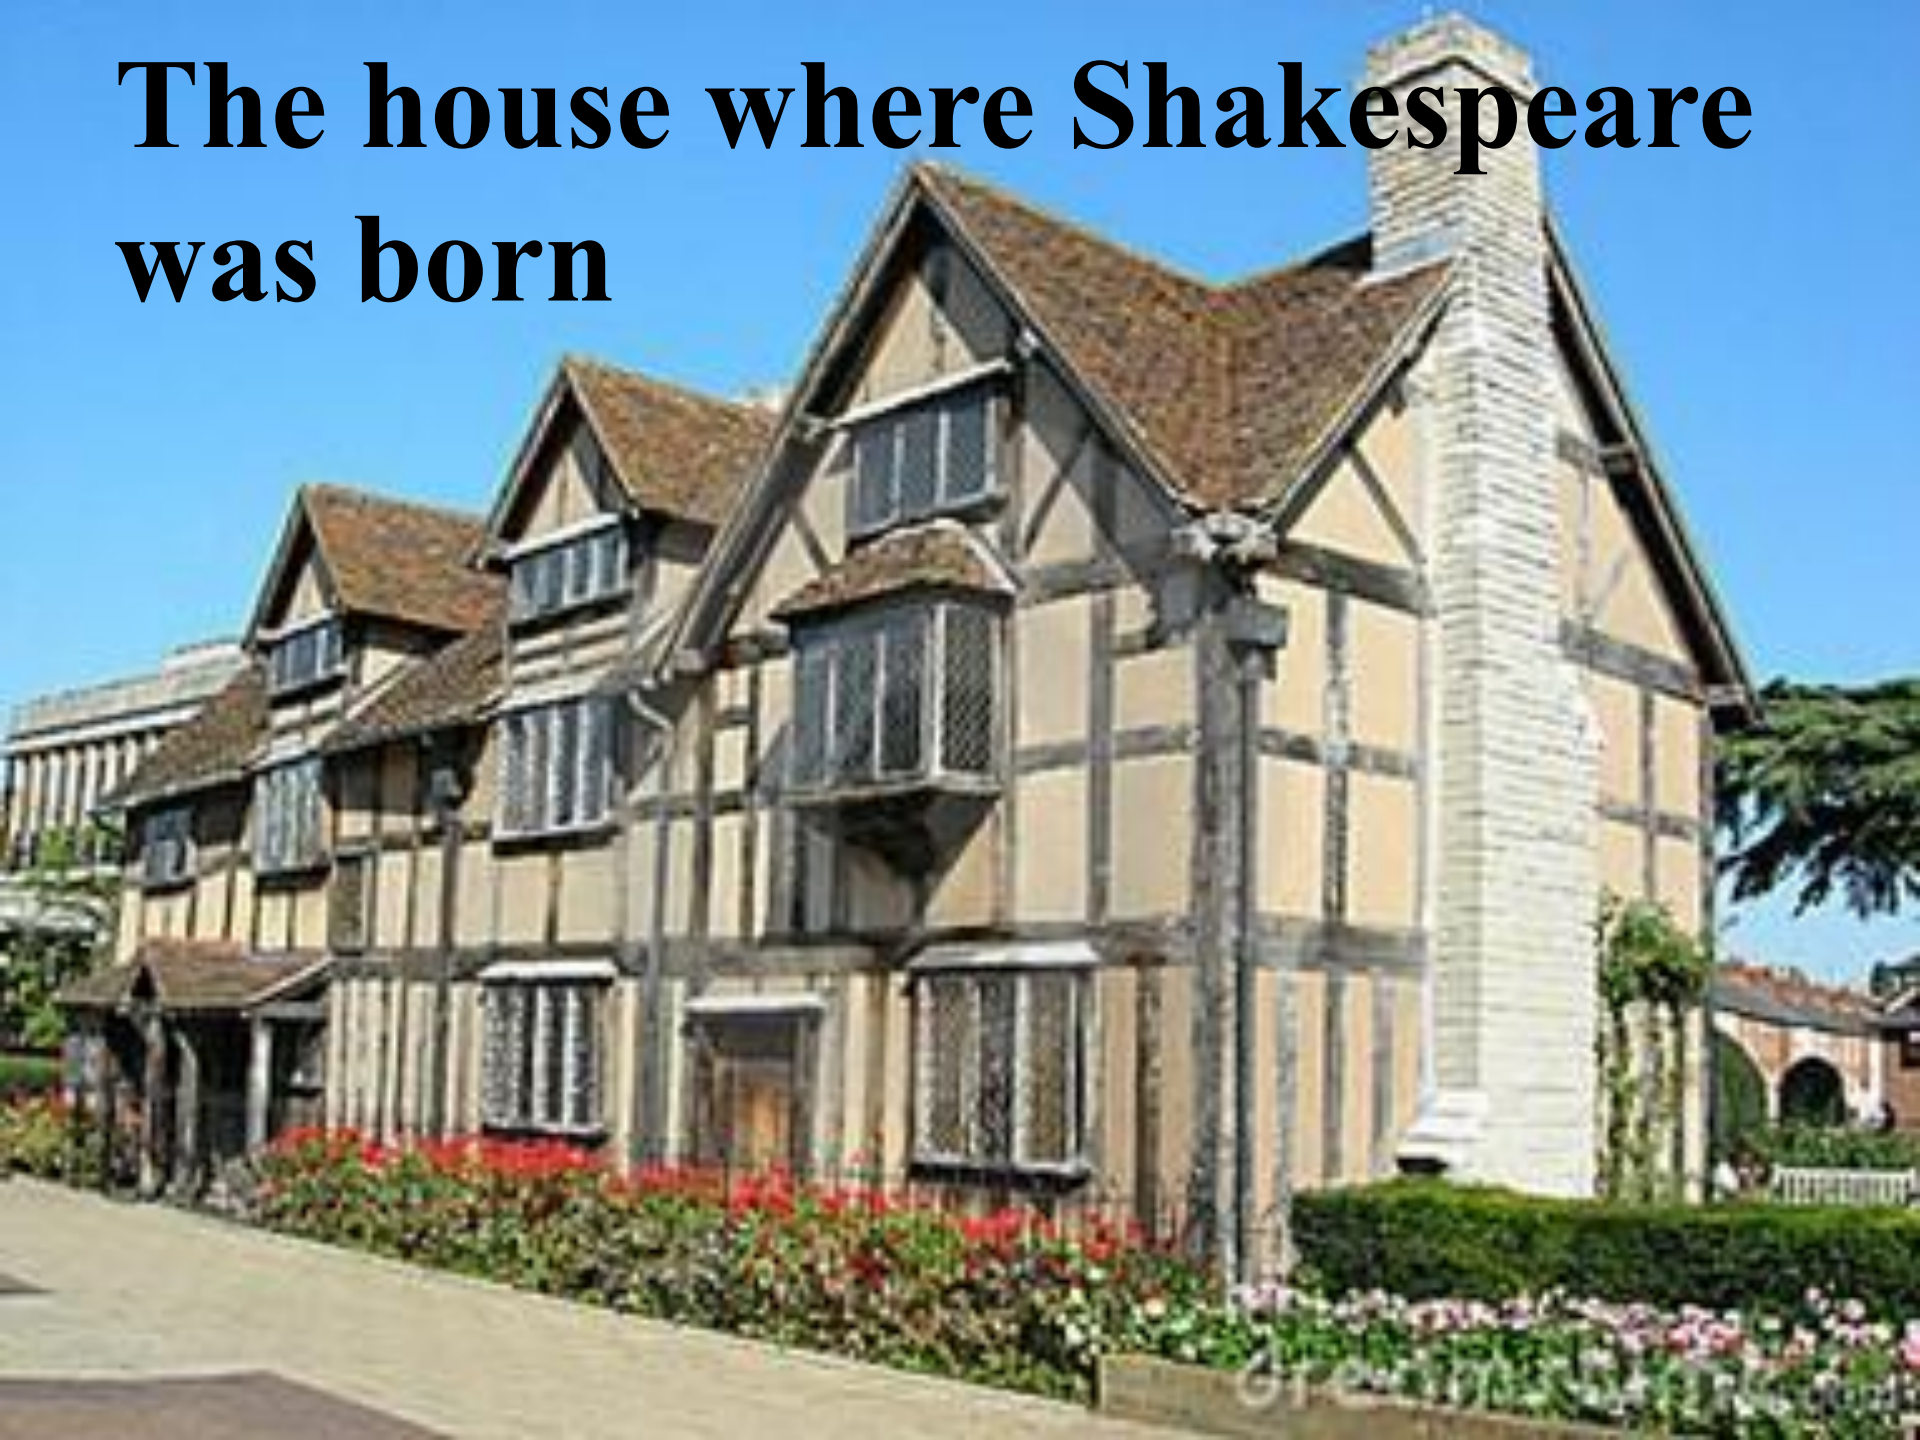

The Great Bard

- William Shakespeare was born 23rd April in 1564. He lived in Stratford - upon - Avon, small but busy town in central England.

The house where Shakespeare was born

Shakespeare's family

- He married at the age of 18.
- He and his wife Anne had three children, two girls and a boy.

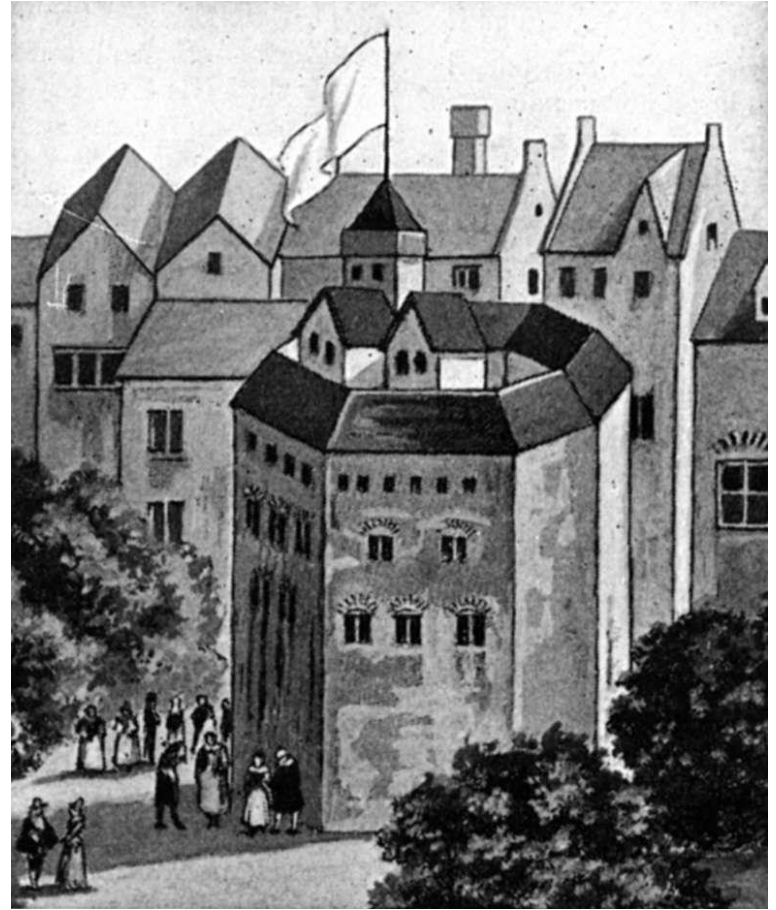

Acting Career

The Globe

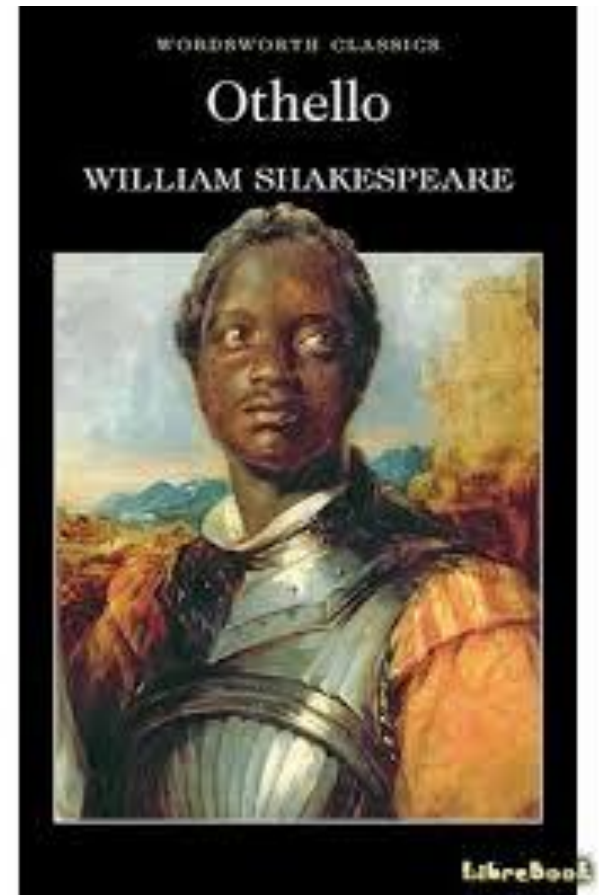

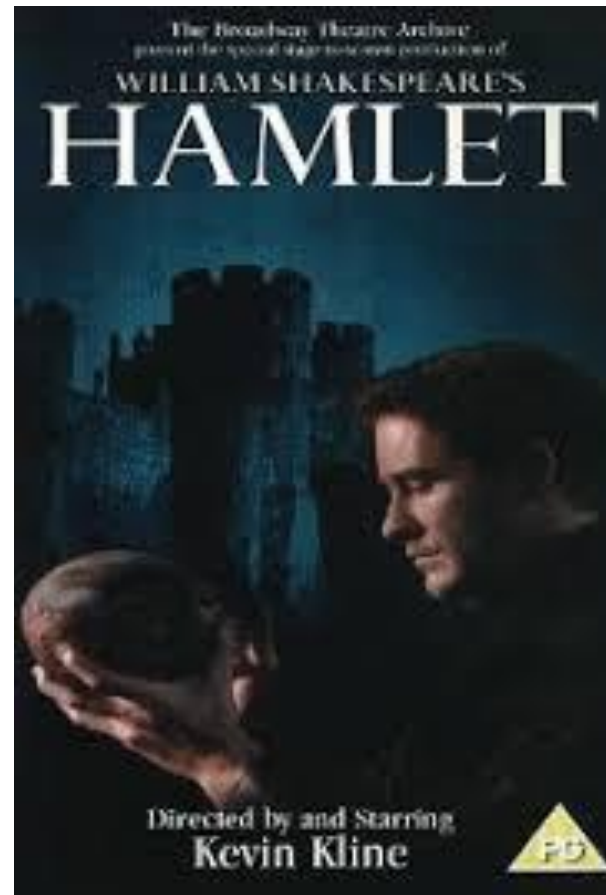

- In 1598 Shakespeare's company of actors had a serious problem with renting the building.
- They built the theatre in just 28 days and called it The Globe.

Fortune of The Globe

- In 1613 during a performance The Globe caught fire, which destroyed it.
- They rebuilt it but soon the Puritans closed the theatre and destroyed it again.

Shakespeare's works

Romeo and Juliet

The Tempest

Last Years

- He spent his last years in Stratford.
