If a white chalk chalks on a black blackboard, can a black chalk chalk on a white blackboard?

Story

My aunt had a cat Pluto.

It was black and very clever.

When my aunt washed herself, the cat washed himself, when she watched TV, the cat did the same.

When she talked, it opened his mouth like he is talking.

Aunt wanted the cat to talk.

She also had a parrot.

But she didn't like the parrot because it was very old and talkative.

So, my aunt had an idea how to teach the parrot to talk...

What is the end ?

Happy or Sad

She killed the parrot, cooked it

And the cat had the parrot for dinner.

Suddenly the cat shouted: “Look out! The ceiling is falling!”

Aunt was so surprised that she didn’t listen to him!

And a big piece of ceiling fell on her head.

The cat was very angry!
