A photograph of a person walking away from the camera on a sandy desert path. The path is marked with footprints. In the background, there are rocky desert hills under a clear blue sky. The scene is lit with warm, golden light, suggesting late afternoon or early morning. The overall mood is contemplative and vast.

Ferry-boats

Over the river, over the bay
Ferry-boats travel every day.
Watching the seagulls, laughing with friends,
I'm always sorry when the trip ends.

Trains

Over the mountains, over the plains,
Over the rivers here come trains.
Carrying passengers, carrying mail,
Over the country here come trains.
