

A long-exposure photograph of a city street at night. The image is filled with light trails from moving vehicles, creating a sense of motion and activity. The trails are primarily white and yellow, indicating headlights and taillights. The background shows city buildings and streetlights, with a few cars visible in the distance. The overall atmosphere is one of a busy, illuminated urban environment.

**Город и его опасности.
Интенсивное движение
городского транспорта**

Загрязнение воздуха выхлопными газами.

Высокий уровень шума.

Пробки на дорогах.

Дорожно-транспортные происшествия.

Наезды на пешеходов.
