
A vibrant green meadow with dandelions, a butterfly, and bubbles. The background is a soft-focus green field with several dandelions in various stages of bloom. A butterfly with orange and black wings is perched on one of the dandelions. Several clear, round bubbles are floating in the air, some near the top and some near the bottom right. The overall scene is bright and cheerful, representing a wild natural environment.

# **Дикие животные нашего края**

A vibrant green field with dandelions and a butterfly. The background is a lush green meadow with several dandelions in various stages of bloom. A brown and orange butterfly is perched on one of the dandelions. The sky is a soft, hazy green, and there are some white, circular bokeh effects scattered throughout. The overall mood is bright and cheerful.
