

элементы природы

A bright sun is shining through a large, fluffy white cloud against a clear blue sky. The sun is positioned in the upper left quadrant of the cloud, creating a lens flare effect. The cloud is dense and has a soft, textured appearance. The sky is a deep, clear blue. The overall scene is bright and clear.

небо и облака

ТУЧИ

A photograph of a forest with sunlight streaming through the trees, creating visible rays of light (crepuscular rays) that illuminate the scene. The trees have green and some autumn-colored foliage. The foreground is a grassy area.
