An aerial photograph of a vast, cracked, and dry lake bed, likely a salt flat or a desert basin. The ground is a mix of light brown and white, with deep, irregular cracks forming a grid-like pattern. In the upper left, a large, deep blue lake is visible, contrasting sharply with the arid landscape. The sky is clear and blue. The text "Растения." is overlaid in a large, bold, green font across the center of the image.
