

# ИГРА “ЖИВОЕ - НЕЖИВОЕ”

Разработала воспитатель:  
Меркулова Елена Анатольевна

The background is a light green gradient with a decorative border. The border features pink butterflies in the top corners, a white butterfly in the middle right, and a grassy field with colorful flowers (pink, blue, purple, orange) at the bottom. There are also faint white hearts scattered throughout the background.

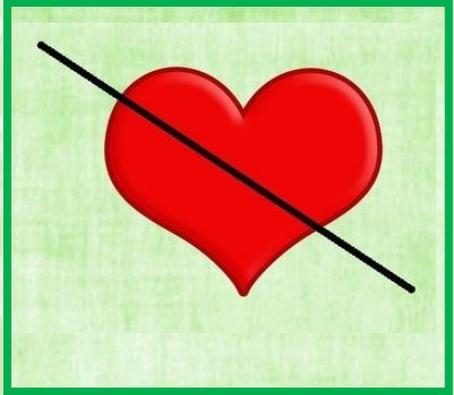

**Цель:** расширение знаний детей о живых организмах и неживых предметах.

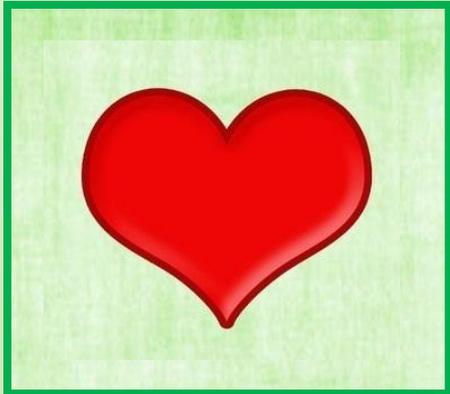

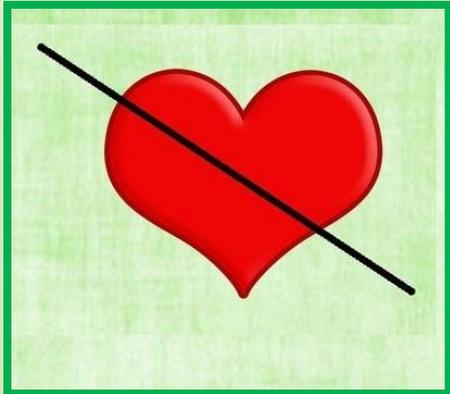

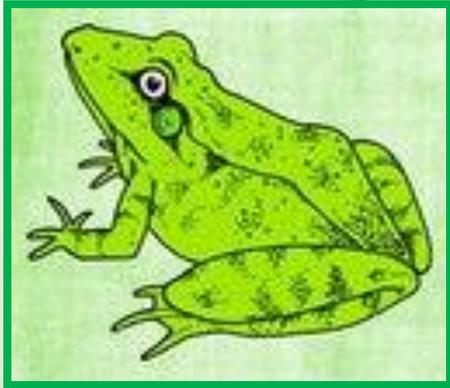

**Задачи:** учить правильно детей отвечать на вопрос;

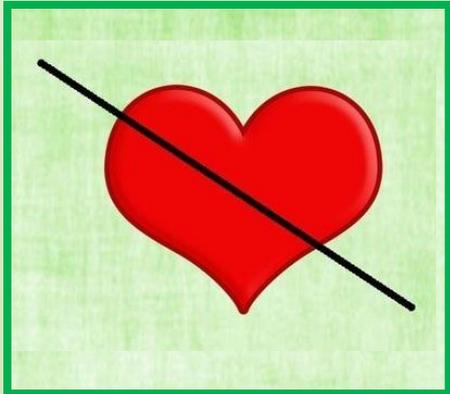

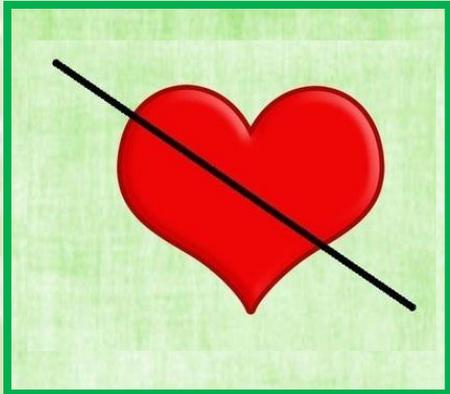

совершенствовать умение определять живые и неживые предметы;

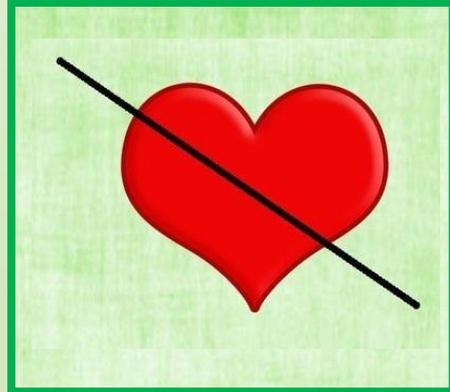

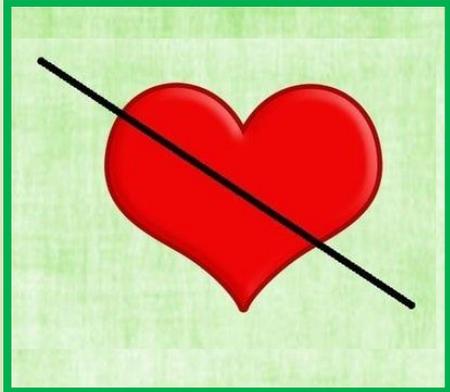

развивать речь, память, внимание, мышление, воображение;

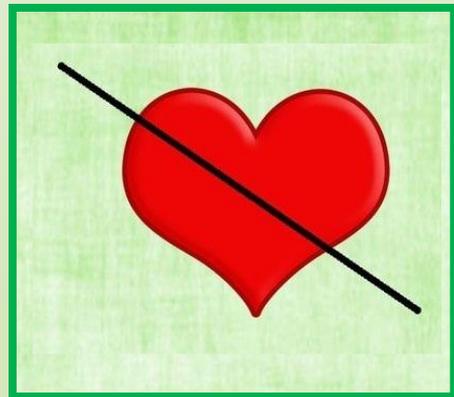

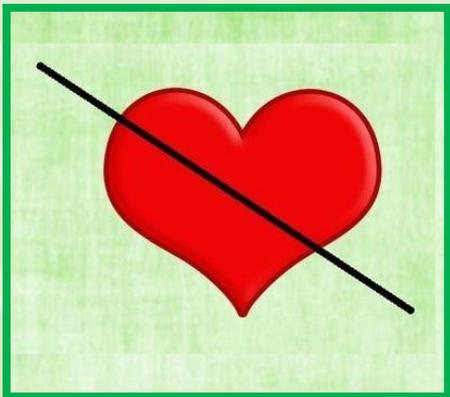

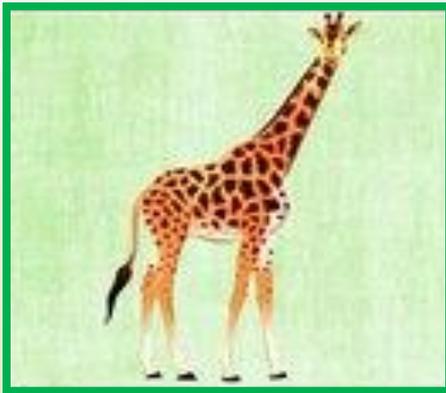

**Предварительная работа:** беседа о свойствах живых организмах и неживых предметов; познакомить детей с понятиями «живое» и «неживое».

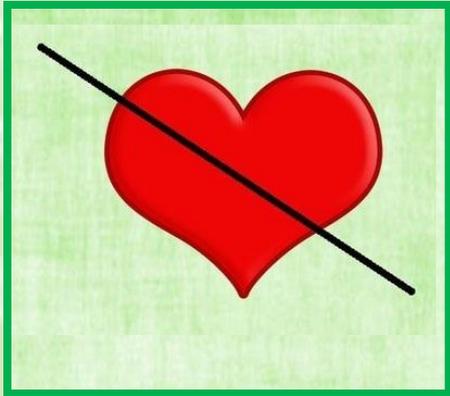

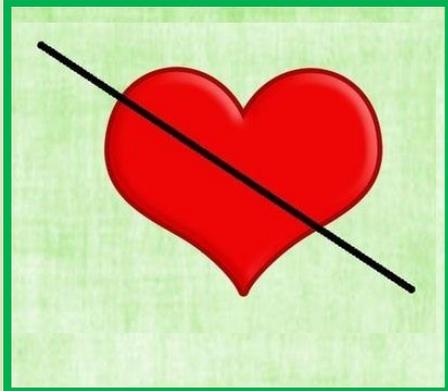

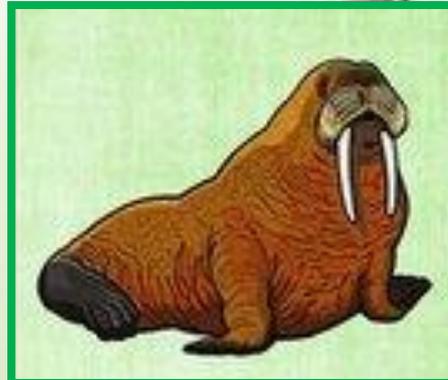

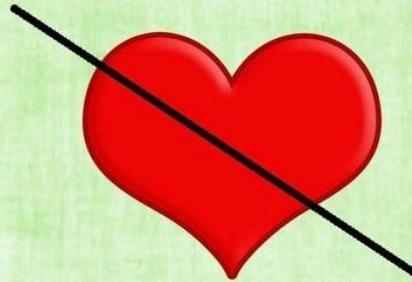

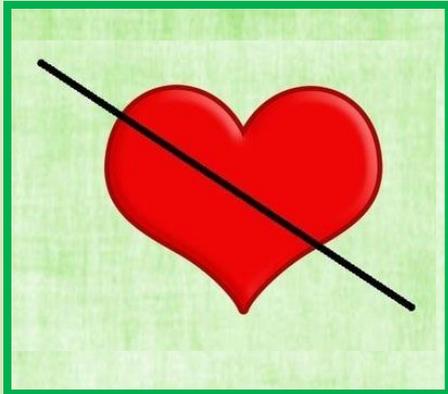

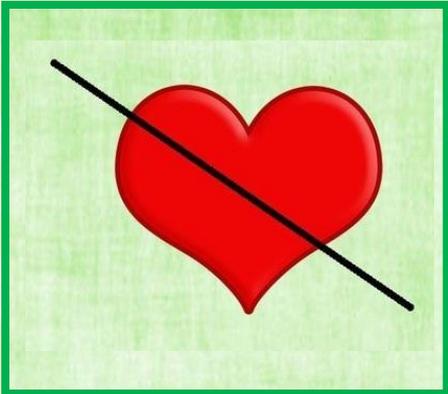

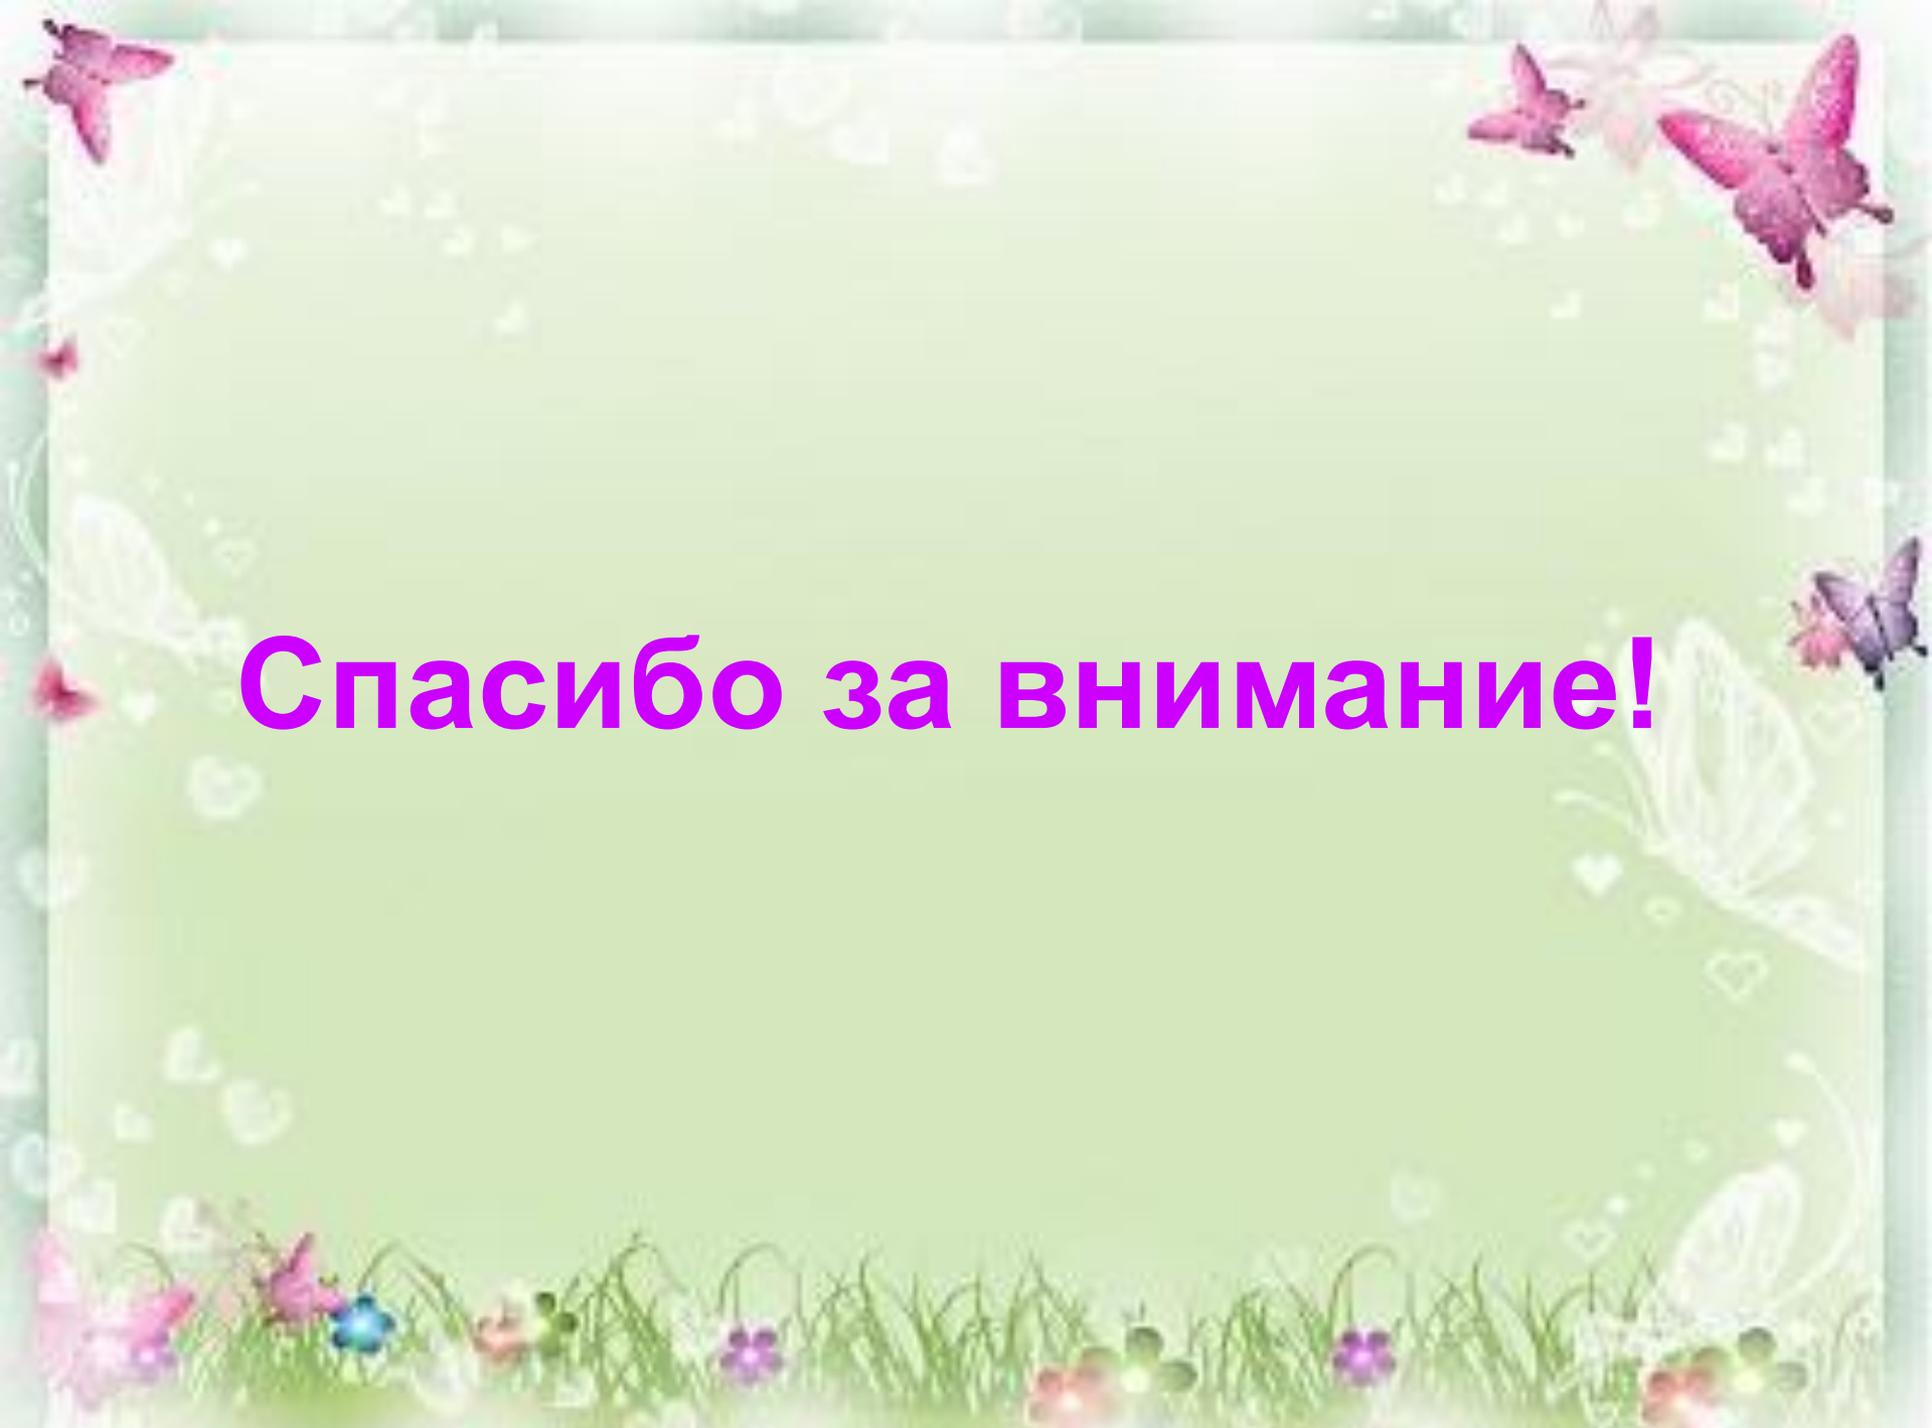

The background is a light green gradient with a decorative border. The border features pink butterflies in the top corners, a purple butterfly on the right side, and a bottom border of green grass with colorful flowers (blue, purple, red, yellow). Faint white hearts and floral patterns are scattered throughout the background.
