The background features a blue sky with white clouds at the top, transitioning to a greenish-yellow gradient, and finally to a blue surface with concentric ripples from a water droplet. A small green seedling with two leaves is positioned in the center, appearing to grow from the water droplet. The text is overlaid on this background.

**Занятие по экологическому
воспитанию
с элементами
экспериментирования и с
использованием ИКТ**

Тема: Путешествие Капельки

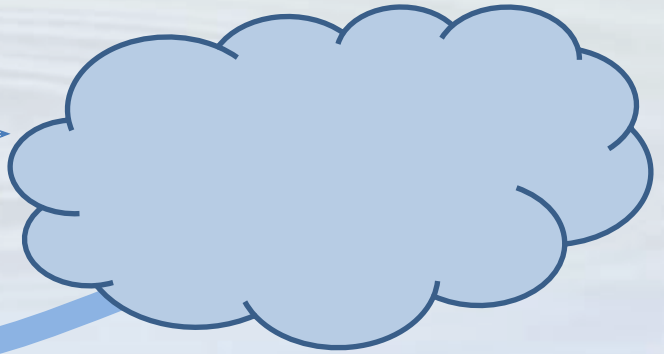

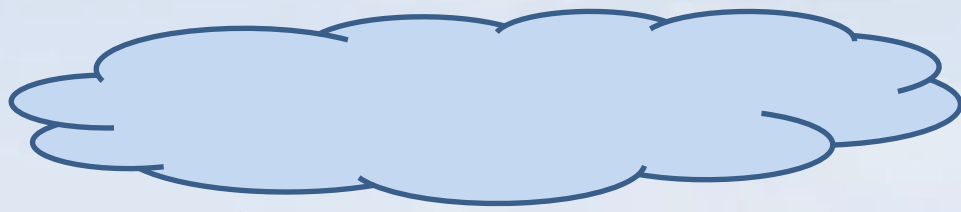

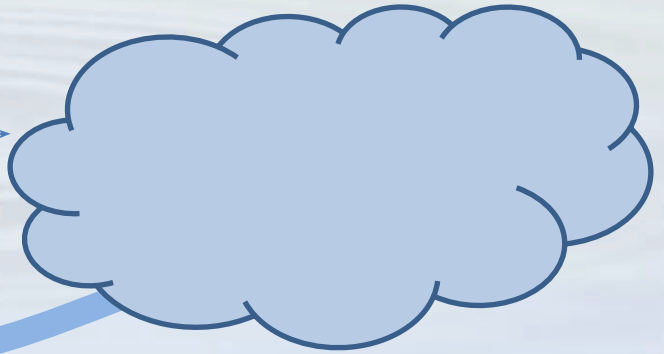

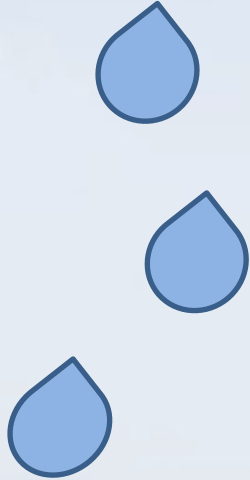

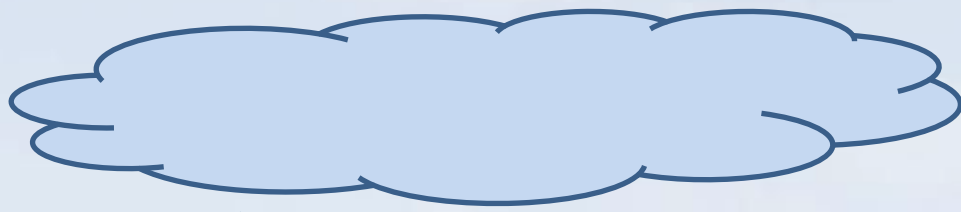

Презентацию подготовила
воспитатель ГБОУ ЦО 491
МАРЬИНО СДП
