

«РЫБЫ»

A vibrant, colorful underwater scene. The background is a deep blue ocean with light rays filtering down. In the foreground, there are various colorful coral reefs and sea anemones in shades of green, yellow, orange, and pink. Two large, translucent jellyfish with long tentacles are visible in the middle ground. In the distance, a large, dark, rocky structure is visible on the left, and a small, dark, elongated object is seen in the upper right. The overall atmosphere is serene and mysterious.
