Отчет

The image features a decorative header with five circles in shades of light purple and white. Below the circles, the word "Вывод:" is written in a colorful, stylized font. The letters are filled with a rainbow gradient: 'В' is pink, 'ы' is orange, 'в' is yellow, 'о' is green, and 'д' is blue. The word is followed by a colon. Below the text, there is a dense, horizontal band of vertical black lines of varying lengths, creating a textured, barcode-like effect.
