В) 7 апреля

A vibrant illustration of a spring landscape. The sky is a clear, bright blue with several soft, white, fluffy clouds. In the upper portion of the sky, there are two brown birds in flight, one near the top center and another slightly below and to the right. A large, bright orange butterfly is flying in the center, leaving a trail of small white dots behind it. To the right, a blue dragonfly is flying. The foreground is a lush green field. On the left, there are various green plants and flowers, including a yellow one and a blue one. A small bee is flying near the top left. In the bottom left, a small brown bird is standing on the grass. On the right, there are large, broad green leaves. A purple snail is crawling on one of the leaves, and a small bee is flying nearby. The overall scene is bright and cheerful, representing the month of April.

A vibrant illustration of a spring landscape. The sky is a clear, bright blue with several fluffy white clouds. In the air, there are two brown birds in flight, one at the top and one in the middle. A large orange butterfly with black spots is flying in the center, leaving a trail of small white dots. To the right, a blue dragonfly is flying. In the foreground, there is a green grassy hill. On the left, there are green plants with yellow and red flowers, and a small bee is flying near them. A ladybug is also visible. On the right, there are large green leaves, and a snail with a purple shell is crawling on one of them. A small bee is also near the snail. At the bottom center, a small brown bird is walking on the grass.

A vibrant illustration of a spring landscape. The sky is a clear, bright blue with several fluffy white clouds. In the upper part of the sky, a brown bird is flying towards the left, and a blue dragonfly is flying towards the right. A large orange butterfly is in the center, leaving a trail of small white dots behind it. Another brown bird is flying towards the left, positioned above the letter 'В'. The foreground is a lush green field with various plants. On the left, there are tall green grasses and a small yellow and black bee. In the center, a red ladybug is on the ground. On the right, there are large, broad green leaves with a purple snail and a yellow and black bee on them. A small brown bird is on the ground in the lower left corner. The overall scene is bright and cheerful, representing the month of May.
