The image is a complex mosaic artwork. It features a central square frame with a decorative border. Inside the frame, there are intricate patterns, possibly representing a landscape or a scene. The mosaic is composed of many small, irregular pieces of material, likely stone or glass, in various shades of brown, orange, and red. The overall effect is a rich, textured surface. Overlaid on the center of the image is the word 'Янтарь' in a large, white, sans-serif font.
