

# Значение облаков

- **Облака - источник влаги**
- **Летом защищают землю от знойных, палящих лучей солнца**
- **Облака – защита в зимний период от переохлаждения**

Седой дедушка у ворот  
Все глаза нам заволок.

ТУМАН

*ЧТО ТАКОЕ  
ТУМАН?*

**Туман** – это скопление мельчайших капелек воды, которые образовались из невидимого водяного пара в холодном воздухе.

**туман**

**облака**

**Состоят  
из капель воды.**

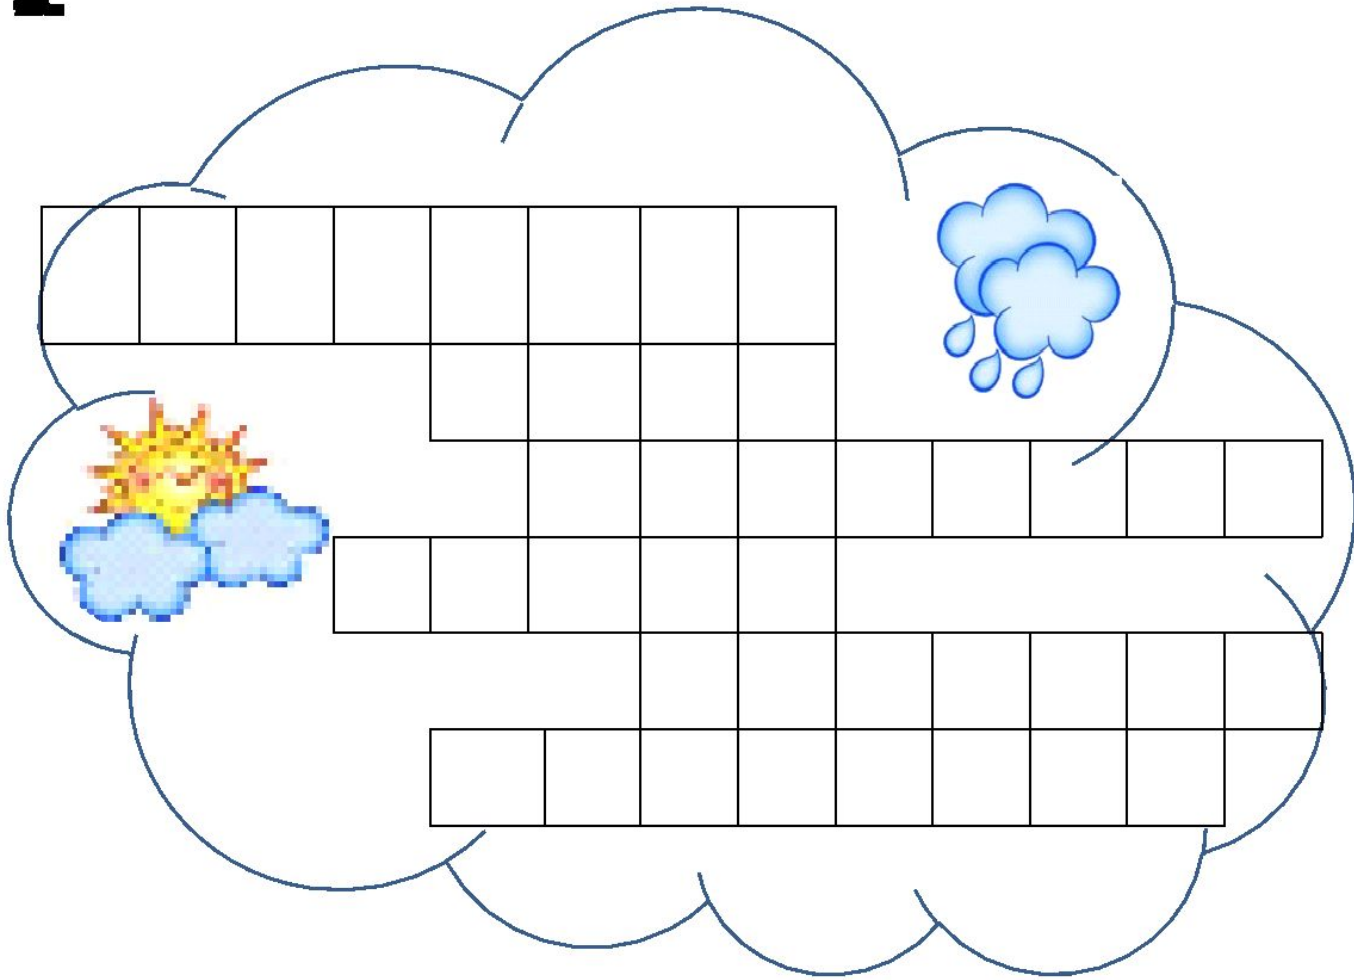

**Низко стелется над  
поверхностью  
суши или  
водоёмов.**

**Образуются и  
плывут высоко  
над земной  
поверхностью.**

# Туман – «недруг»

R

The image features a large, stylized cloud outline containing a crossword puzzle grid. The grid is composed of white squares with black borders, arranged in a non-rectangular shape. The grid consists of the following rows of squares:

- Row 1: 8 squares
- Row 2: 4 squares (aligned under the 4th, 5th, 6th, and 7th squares of Row 1)
- Row 3: 12 squares (aligned under the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, and 12th squares of Row 1)
- Row 4: 6 squares (aligned under the 3rd, 4th, 5th, 6th, 7th, and 8th squares of Row 1)
- Row 5: 10 squares (aligned under the 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, and 13th squares of Row 1)
- Row 6: 8 squares (aligned under the 5th, 6th, 7th, 8th, 9th, 10th, 11th, and 12th squares of Row 1)

Weather icons are placed within the cloud:

- A sun with rays is positioned on the left side, partially overlapping the grid.
- A blue rain cloud with three raindrops is located in the upper right quadrant.
- Two blue clouds are positioned at the bottom left, partially overlapping the grid.

A large, stylized blue-outlined cloud shape that serves as a container for a crossword puzzle. The puzzle grid is composed of white rectangular cells with black borders. The grid is arranged as follows:

- Row 1: 8 cells
- Row 2: 4 cells (aligned under the 4th-7th cells of Row 1)
- Row 3: 10 cells (aligned under the 1st-10th cells of Row 1)
- Row 4: 5 cells (aligned under the 1st-5th cells of Row 3)
- Row 5: 8 cells (aligned under the 4th-11th cells of Row 3)
- Row 6: 8 cells (aligned under the 4th-11th cells of Row 3)

Three weather icons are placed within the cloud:

- A sun with rays and two blue clouds, positioned on the left side, partially overlapping the 1st-3rd cells of Row 3.
- A blue rain cloud with three raindrops, positioned on the right side, overlapping the 7th-10th cells of Row 2.
- A small black square icon, positioned in the top-left corner of the page, outside the cloud.

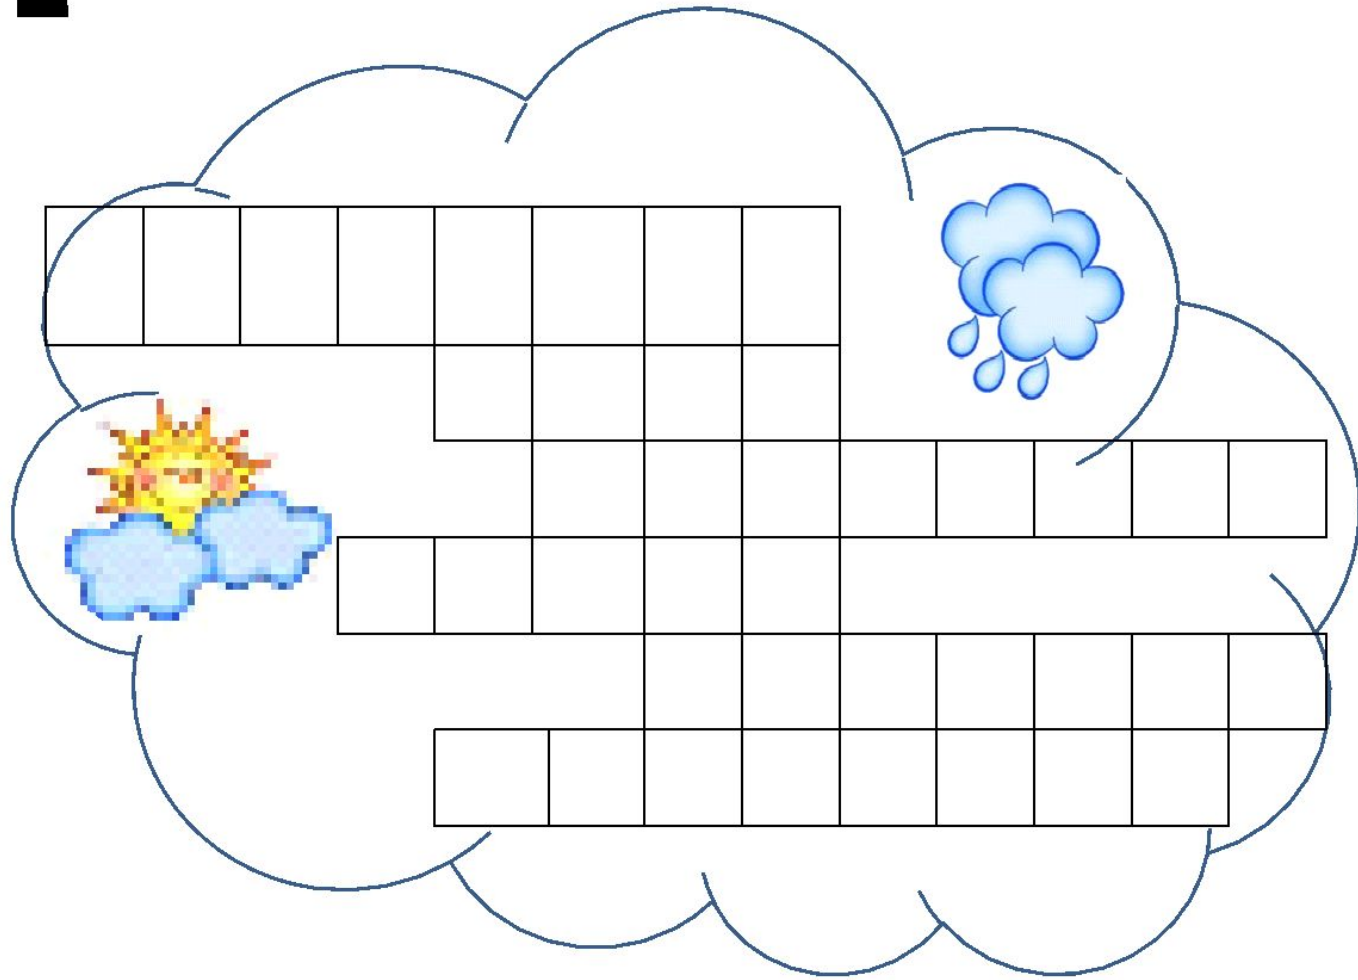

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a grid of empty boxes for writing. The grid is arranged as follows:

- Row 1: 8 boxes
- Row 2: 4 boxes (aligned under the last 4 boxes of Row 1)
- Row 3: 12 boxes (aligned under the 4 boxes of Row 2 and 8 boxes of Row 1)
- Row 4: 6 boxes (aligned under the first 6 boxes of Row 3)
- Row 5: 10 boxes (aligned under the 6 boxes of Row 3 and 4 boxes of Row 2)
- Row 6: 8 boxes (aligned under the last 8 boxes of Row 5)

Weather icons are placed within the cloud:

- A sun with rays behind two blue clouds on the left side.
- A blue rain cloud with three raindrops on the right side.

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a crossword puzzle grid. The grid consists of several rows of empty cells. To the left of the grid is a pixelated illustration of a bright yellow sun with rays, partially obscured by two light blue clouds. To the right of the grid is a pixelated illustration of a blue rain cloud with three raindrops falling from it. The entire scene is enclosed within the cloud's outline.

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a grid of empty boxes for writing. The grid is arranged as follows:

- Row 1: 8 empty boxes.
- Row 2: 4 empty boxes, followed by a gap, then 4 empty boxes.
- Row 3: 4 empty boxes, followed by a gap, then 8 empty boxes.
- Row 4: 4 empty boxes, followed by a gap, then 8 empty boxes.
- Row 5: 8 empty boxes.

Weather icons are placed within the cloud:

- A sun with rays (yellow and orange) partially obscured by two light blue clouds on the left side.
- A blue rain cloud with three blue raindrops falling from it on the right side.
- A sun with rays (yellow and orange) partially obscured by two light blue clouds on the left side.

The image features a large, stylized cloud outline. Inside the cloud, there is a grid of empty rectangular boxes for writing, arranged in a pattern that roughly forms the shape of the letter 'E'. The grid consists of the following rows of boxes:

- Row 1: 8 boxes
- Row 2: 4 boxes (aligned with the 4th to 7th boxes of Row 1)
- Row 3: 10 boxes
- Row 4: 6 boxes (aligned with the 1st to 6th boxes of Row 3)
- Row 5: 8 boxes (aligned with the 2nd to 9th boxes of Row 3)

Illustrations within the cloud include:

- A sun with rays and two blue clouds on the left side.
- A blue rain cloud with three raindrops on the right side.
