

Значение облаков

- **Облака - источник влаги**
- **Летом защищают землю от знойных, палящих лучей солнца**
- **Облака – защита в зимний период от переохлаждения**

Седой дедушка у ворот
Все глаза нам заволок.

ТУМАН

*ЧТО ТАКОЕ
ТУМАН?*

Туман – это скопление мельчайших капелек воды, которые образовались из невидимого водяного пара в холодном воздухе.

туман

облака

**Состоят
из капель воды.**

**Низко стелется над
поверхностью
суши или
водоёмов.**

**Образуются и
плывут высоко
над земной
поверхностью.**

Туман – «недруг»

2.

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a crossword puzzle grid. The grid consists of several rows of empty cells. To the left of the grid is a colorful sun with rays and two blue clouds. To the right of the grid is a blue cloud with three raindrops falling from it. The entire scene is enclosed within the cloud's boundary.

The image features a large, stylized cloud outline containing a crossword puzzle grid. The grid is composed of white squares with black borders, arranged in a non-rectangular shape. The grid consists of the following rows of squares:

- Row 1: 8 squares
- Row 2: 4 squares (aligned under the 4th, 5th, 6th, and 7th squares of Row 1)
- Row 3: 10 squares (aligned under the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, and 10th squares of Row 1)
- Row 4: 6 squares (aligned under the 3rd, 4th, 5th, 6th, 7th, and 8th squares of Row 1)
- Row 5: 8 squares (aligned under the 4th, 5th, 6th, 7th, 8th, 9th, 10th, and 11th squares of Row 1)

Weather icons are placed within the cloud:

- A sun with rays is positioned on the left side, partially overlapping the 3rd and 4th squares of Row 3.
- A blue rain cloud with three raindrops is located in the upper right quadrant, overlapping the 7th and 8th squares of Row 1.

A large, stylized blue-outlined cloud shape that serves as a container for a crossword puzzle. The puzzle grid is composed of white rectangular cells with black borders. The grid is arranged as follows:

- Row 1: 8 cells
- Row 2: 4 cells (aligned under the last 4 cells of Row 1)
- Row 3: 10 cells (aligned under the first 4 cells of Row 1, then 6 cells to the right)
- Row 4: 6 cells (aligned under the first 6 cells of Row 3)
- Row 5: 10 cells (aligned under the first 4 cells of Row 3, then 6 cells to the right)
- Row 6: 8 cells (aligned under the last 8 cells of Row 5)

Three weather icons are placed within the cloud:

- A sun with rays and two blue clouds, positioned on the left side of the grid.
- A blue rain cloud with three raindrops, positioned on the right side of the grid.
- A small black square icon, positioned in the top-left corner of the page, outside the cloud.

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a crossword puzzle grid. The grid consists of several rows of white squares, with some squares missing to form the puzzle's shape. To the left of the grid is a pixelated sun with rays, partially obscured by two blue clouds. To the right of the grid is a blue rain cloud with three raindrops falling from it. The entire scene is enclosed within the cloud's outline.

A large, stylized cloud graphic containing a crossword puzzle grid. The grid is composed of white squares with black borders, arranged in a shape that fits within the cloud's outline. The grid consists of the following rows of squares:

- Row 1: 8 squares
- Row 2: 4 squares (aligned under the 4th, 5th, 6th, and 7th squares of Row 1)
- Row 3: 10 squares (aligned under the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, and 10th squares of Row 1)
- Row 4: 6 squares (aligned under the 1st, 2nd, 3rd, 4th, 5th, and 6th squares of Row 1)
- Row 5: 8 squares (aligned under the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, and 8th squares of Row 1)

Illustrations within the cloud include:

- A sun with rays and two blue clouds on the left side.
- A blue rain cloud with three raindrops on the right side.

A large, stylized cloud graphic with a blue outline. Inside the cloud, there is a grid of empty boxes for writing. The grid is arranged as follows:

- Row 1: 8 boxes
- Row 2: 4 boxes (aligned under the first 4 boxes of Row 1)
- Row 3: 12 boxes (aligned under the 4th box of Row 1 and the 4th box of Row 2)
- Row 4: 6 boxes (aligned under the first 6 boxes of Row 3)
- Row 5: 10 boxes (aligned under the 6th box of Row 3 and the 6th box of Row 4)
- Row 6: 8 boxes (aligned under the first 8 boxes of Row 5)

Weather icons are placed within the cloud:

- A sun with rays (yellow and orange) partially obscured by two light blue clouds on the left side.
- A blue rain cloud with three raindrops falling from it on the right side.

The image features a large, stylized cloud outline. Inside the cloud, there is a grid of empty boxes for writing, arranged in a shape that resembles the letter 'E'. The grid consists of the following rows of boxes:

- Row 1: 8 boxes
- Row 2: 4 boxes (aligned under the last 4 boxes of Row 1)
- Row 3: 10 boxes
- Row 4: 6 boxes (aligned under the first 6 boxes of Row 3)
- Row 5: 8 boxes (aligned under the last 8 boxes of Row 3)

Additionally, there are two weather icons:

- A sun with rays behind two light blue clouds, located on the left side of the cloud.
- A blue rain cloud with three raindrops falling from it, located on the right side of the cloud.
