

The background of the slide is a composite image. At the top, a blue sky with white clouds contains a small airplane flying from left to right, leaving a white contrail. Below the sky, a city skyline with several tall buildings is visible. In the center, there is a lush green landscape with various plants, including a large green leafy plant and a yellow flower. A butterfly is flying in the upper left quadrant. The bottom half of the image shows a blue and white globe representing Earth, with green landmasses and white clouds. The text is overlaid on this composite image.
