

мировой ковчег

A wide-angle, high-angle shot of a desolate, post-apocalyptic cityscape. The sky is filled with a hazy, orange and yellow glow from a low sun, with wispy clouds catching the light. The city below is a dense forest of skeletal, rusted metal structures and twisted steel beams, representing the remains of a once-great metropolis. The overall atmosphere is one of quiet devastation and the passage of time.

**медленная или быстрая
катастрофа**

A wide-angle landscape photograph of a mountain range. The foreground is filled with a dense forest of dark green trees. In the middle ground, several layers of mountain ridges are visible, each appearing progressively more blue and hazy as they recede into the distance. The sky is filled with soft, grey clouds, creating a diffused light across the scene. The overall mood is serene and expansive.
