A surreal painting featuring a woman with a large, intricate, multi-colored headpiece that resembles a forest or a complex web of textures. She is looking upwards with her right hand raised, reaching towards several floating leaves. Each leaf contains a different miniature scene, such as a landscape, a ship, a person, or a group of people. The background is dark and textured, with a blue and yellow glow at the bottom. The overall style is highly detailed and imaginative.

Он никак не мог понять,  
Что природа- наша  
мать!

A large industrial lumber yard filled with stacks of cut logs. In the background, several large cranes are visible against a cloudy sky. The foreground is dominated by numerous logs of varying sizes, some stacked neatly and others scattered. The text "Вырубается леса," is overlaid in the center of the image.

***Вырубается  
леса,***

A large, dark pipe extends from the right side of the frame, discharging a thick, brown, polluted stream of water into a body of water. The water is surrounded by green reeds and grasses. In the background, a large body of blue water stretches to the horizon, with a line of houses and buildings visible on the far shore under a clear sky.

***Реки  
загрязняются,***

A close-up photograph of a fish, possibly a salmon, splashing in dark, turbulent water. The water is heavily polluted with a thick layer of brown, oily sludge that coats the fish's scales and the surrounding water. The fish is positioned in the center-left of the frame, with its body angled towards the right. The water is dark blue-grey, and the sludge is a dark, almost blackish-brown color. The lighting is dramatic, highlighting the texture of the fish's scales and the viscous nature of the pollution. The overall mood is one of environmental devastation and tragedy.

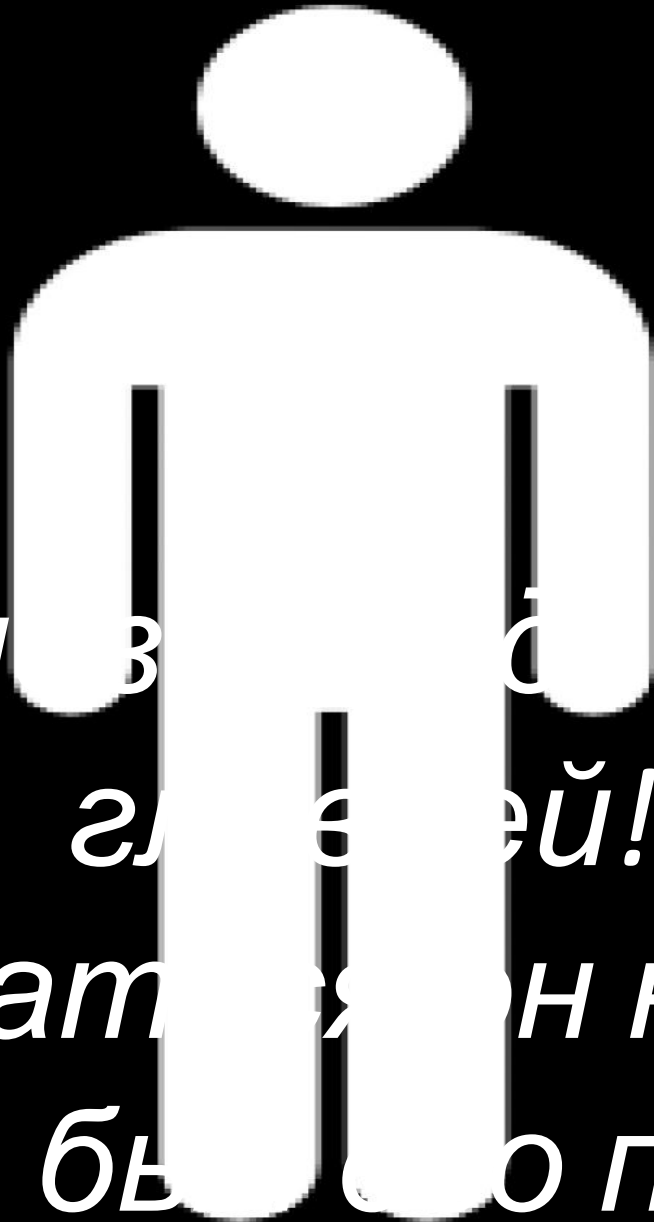

*И вода у нас в реке  
Нам уже не  
нравится.*

*Нет теперь в лесах  
зверей*

*Человек — это все  
главное!*

*Удержатся он не смог,  
Это был его порок.*

A scenic landscape featuring a calm pond in the foreground, a wooden bridge in the middle ground, and a dense forest of tall trees in the background. The foreground is dominated by vibrant pink azaleas in full bloom, which are reflected in the still water of the pond. The overall atmosphere is peaceful and natural.
