«Вперед к звездам»

A colorful illustration of a space scene. On the left, a blue and yellow rocket with a large window is flying upwards. An astronaut in a blue suit is floating next to it. The background is filled with various celestial bodies: a ringed planet like Saturn, several orange and blue spheres representing planets or moons, and yellow starburst shapes. The entire scene is set against a light blue gradient background.

КОМАНД**

The background is a light blue gradient with a subtle texture. It is decorated with various space-themed elements: several planets of different colors (orange, blue, brown) and sizes, some with rings; numerous yellow and white stars of varying sizes; and a few small blue spheres. The elements are scattered across the frame, with a higher concentration on the left side.
