Зимние цветы Байкала

Весенний Байкал

An aerial photograph of a mountain valley. A dark, winding river flows through the center of the valley. The surrounding slopes are covered in dense green coniferous forests, with numerous patches of white snow scattered across the terrain, particularly in the higher elevations and along the riverbanks. The overall scene depicts a serene, mountainous landscape in spring.

Мыс Бакланий. Лето.

Весенний Байкал

Весенний Байкал

Байкал осенью.
