

A winter landscape with snow-covered trees and a path. The scene is a wide, open field covered in a thick layer of snow. In the foreground, a path of footprints leads from the bottom center towards the middle ground. To the left, there are several trees heavily laden with snow, their branches creating a white, intricate pattern against the blue sky. In the background, a line of trees and a small building are visible on the right, with a snow-covered hill rising in the distance. The sky is a clear, vibrant blue with some light, wispy clouds near the horizon. The overall atmosphere is bright and crisp.
