

The image features three yellow-rumped flycatchers in flight against a blue sky with light clouds. One bird is in the upper left, another in the upper right, and a third in the center, all with wings spread. In the lower left, a fourth flycatcher is perched on a cup-shaped nest made of dry grass and twigs, which is attached to a dark, textured surface. The nest contains several dark, oval-shaped eggs.

МКДОУ «Д/с № 17» КОРКИНО

Мы кормушки смастерили,
Мы столовую открыли.
Воробей, снегирь – сосед,
Будет вам зимой обед!

**Люди! Люди! Помогите!
Птиц скорее покормите!**
