Зима – Кружєвниця

Стихи о зиме

A vibrant winter illustration. In the center, a snowman stands wearing a black top hat, a carrot nose, and a plaid scarf. To his left, a small white bird sits in a woven basket. To his right, a red cardinal is perched on a snow-laden evergreen branch. In the bottom right corner, a squirrel sits on a log, eating a nut. The background is a snowy landscape with bare trees and a soft blue sky.

Зимние загадки

РЕБЯТА, ПОМОГАЙТЕ ПТИЦАМ ЗИМОЙ !

Придет неслышными шагами,
Незримо стужею дохнёт
И, всё вокруг покрыв снегами,
Вдруг всем нам уши надерёт:
Зачем, мол, вы в такой мороз
Из дома высунули нос?
