1-е испытание

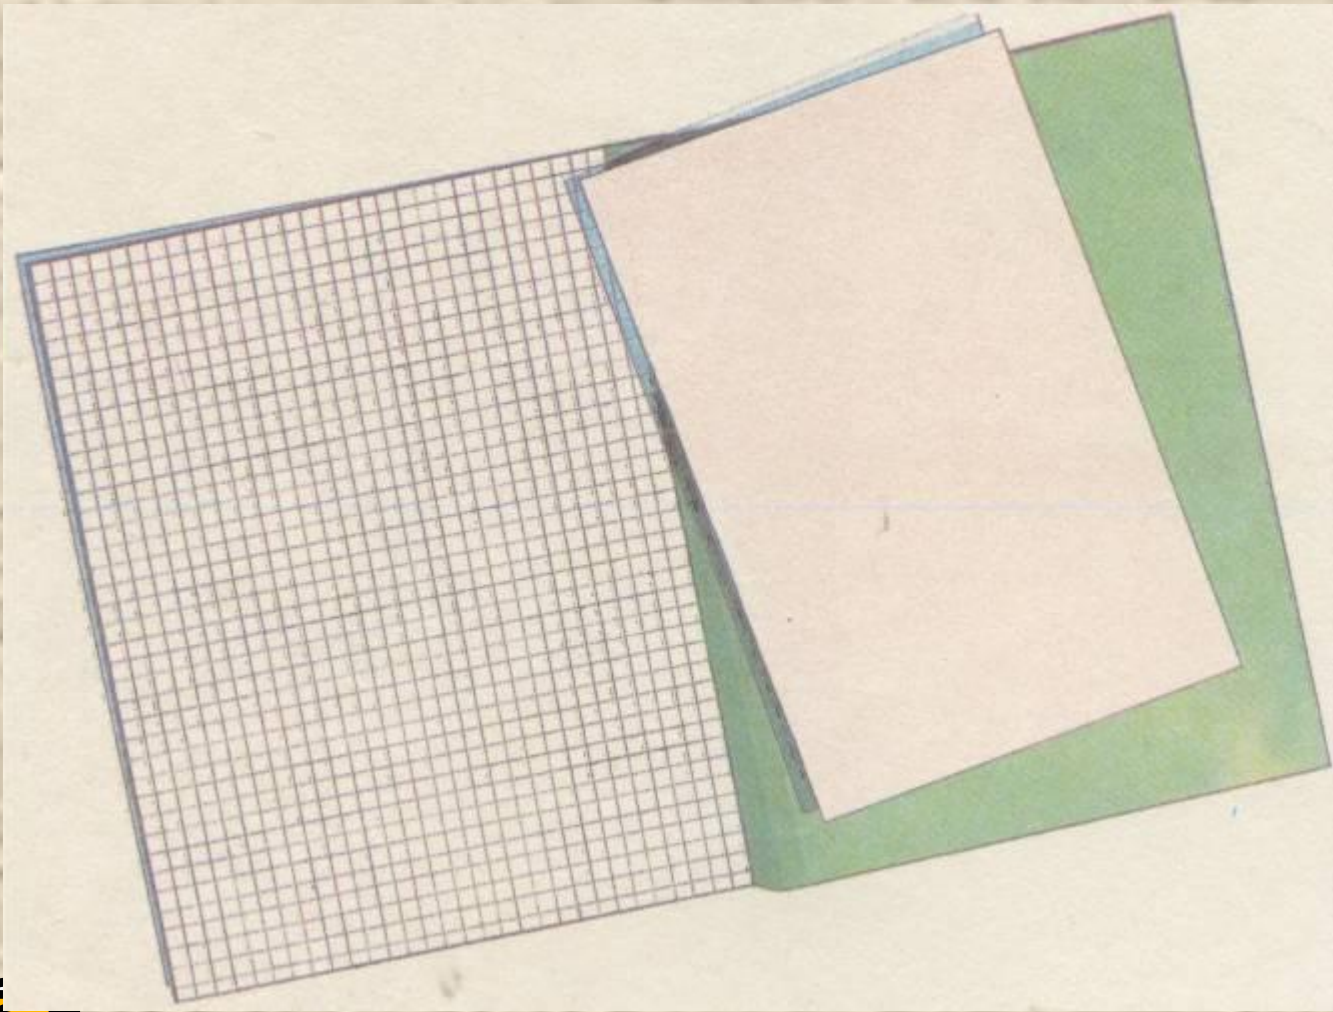

Отгадай загадки!

A horizontal ruler with a yellow-to-orange gradient, marked from 0 to 10. A small brown and orange bird is perched on the ruler between the 2 and 3 marks. Three curved arrows point from the bird's position towards the 3, 4, and 5 marks. To the right of the ruler, the equation $5 - 3 = 2$ is written in black text.

$5 - 3 = 2$

2-е испытание

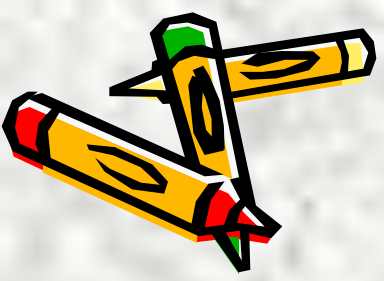

Кто лучший знаток животных?

3-е испытание

Сосчитай!

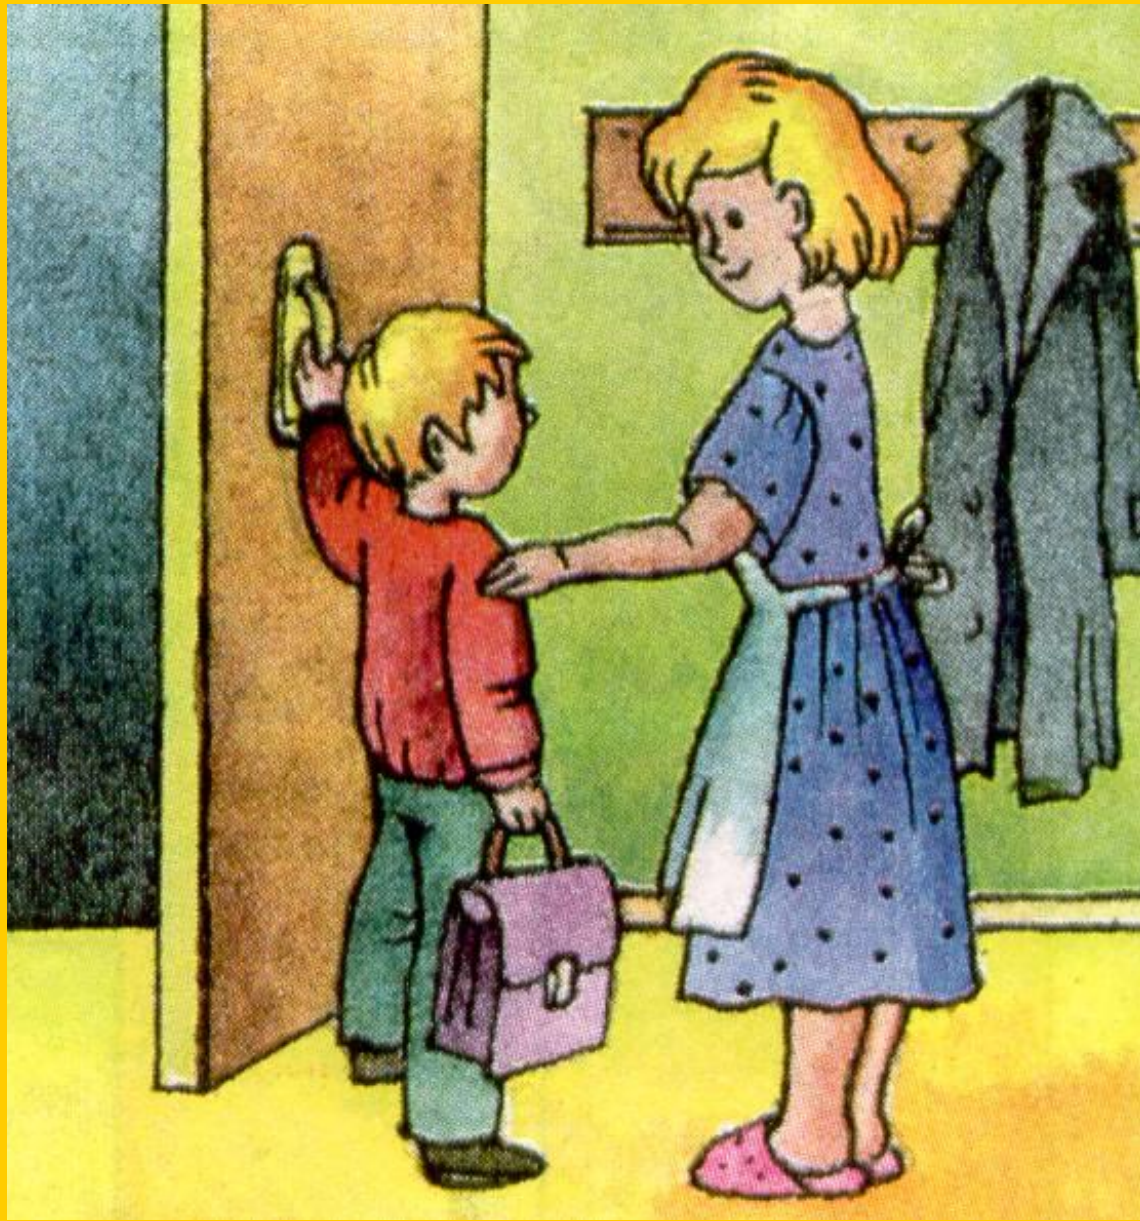

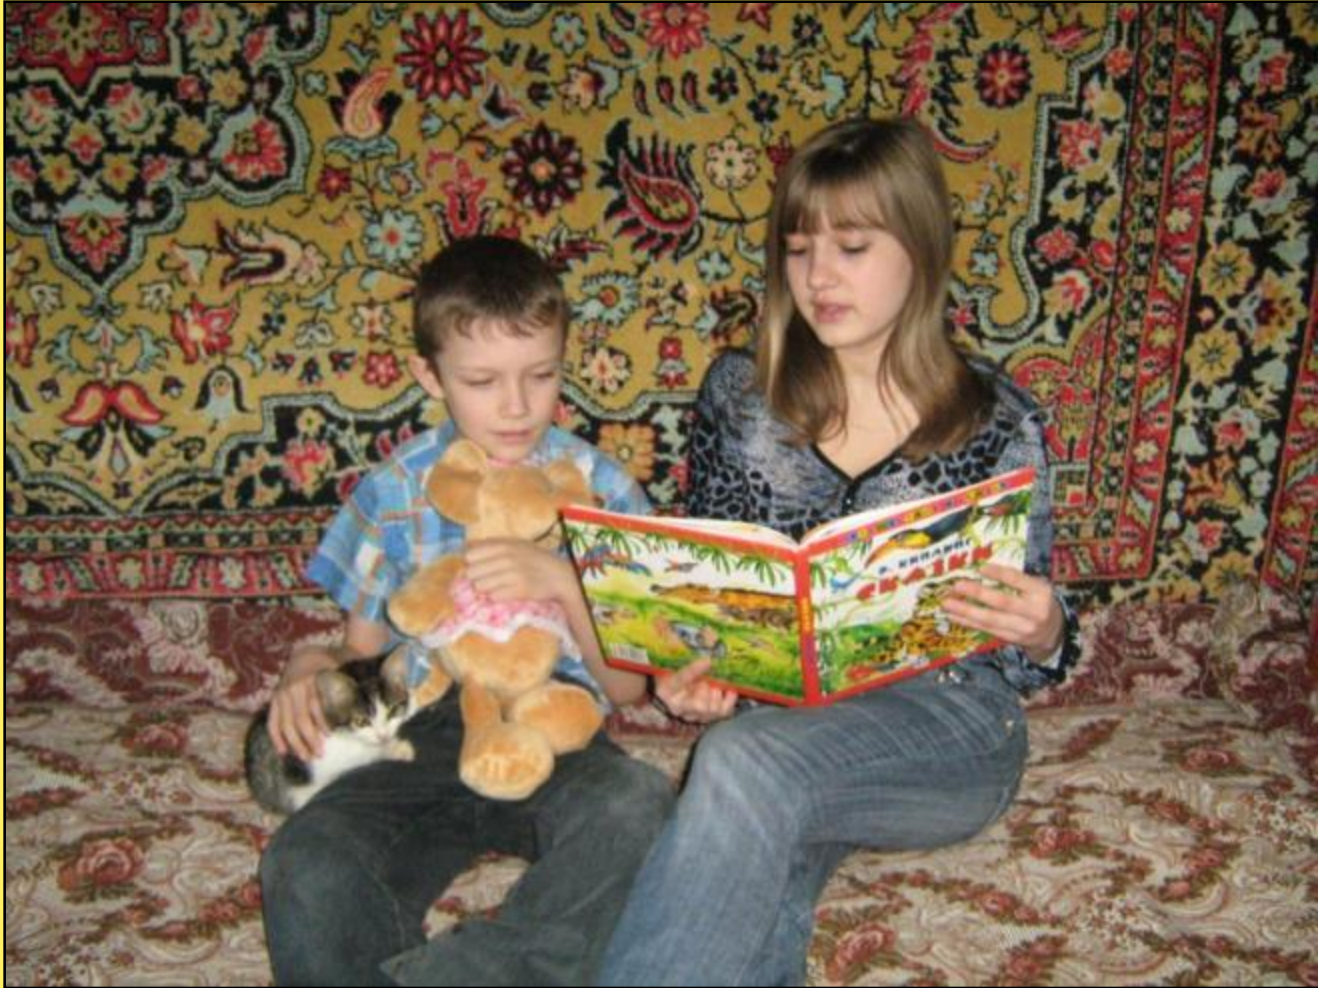

4-е испытание

Прочитай!
