

A vibrant, colorful illustration of a spring landscape. In the background, a bright blue sky is filled with fluffy white clouds, a large multi-colored rainbow arching across the top, and several white birds in flight. The middle ground shows rolling green hills with small white flowers scattered across them. The foreground is a lush garden with various flowers: pink buds, yellow blossoms, and large blue hydrangeas. A wooden stump with a green snail on it is visible on the left side.
