

The background is a vibrant green composition. On the left, there are several bright green leaves with water droplets on them. Below the leaves is a small globe of the Earth. The right side of the image is dominated by large, flowing, ribbon-like shapes in various shades of green, creating a sense of movement and depth. The entire scene is framed by a thin green border.

На лесенке у Настеньки  
Сломались перекладины,  
И лесенка от перемен  
Вдруг превратилась в букву Н.
