

«Определи, где  
находится звук [М] в  
слове?»

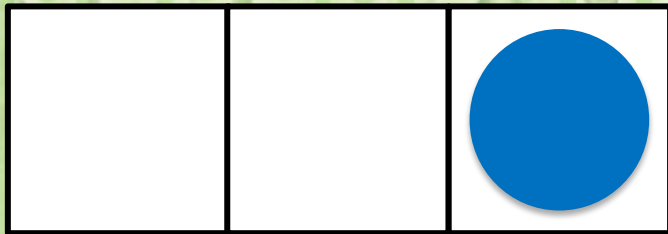

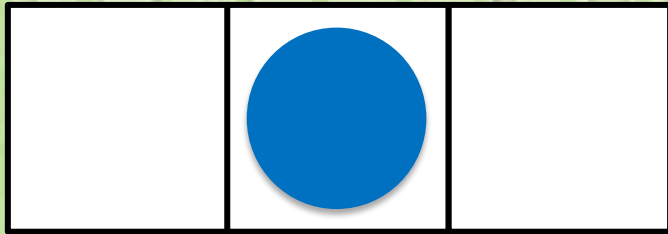

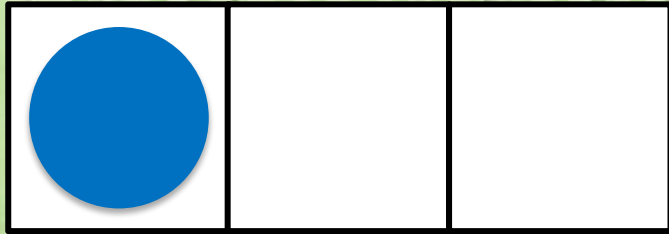

## Цель:

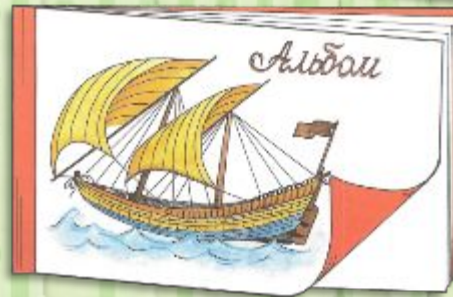

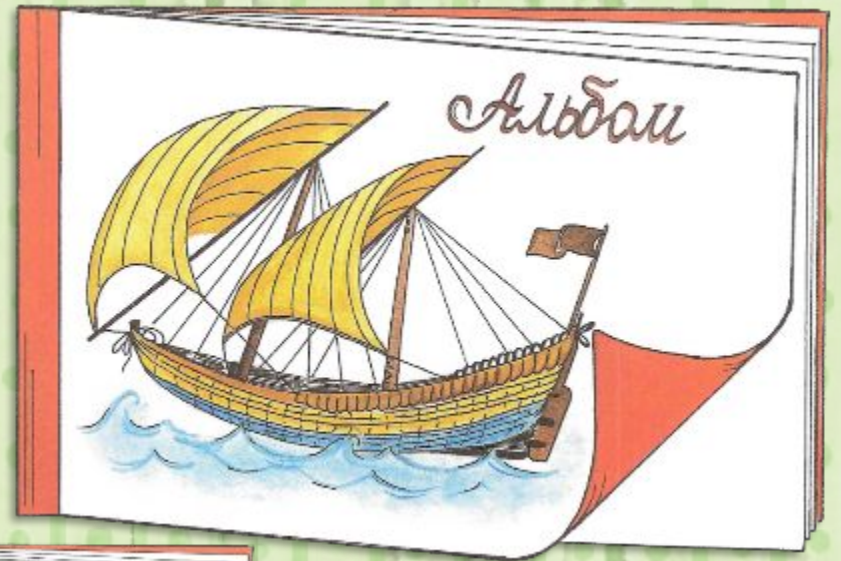

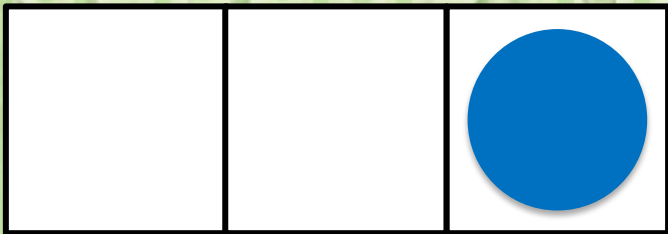

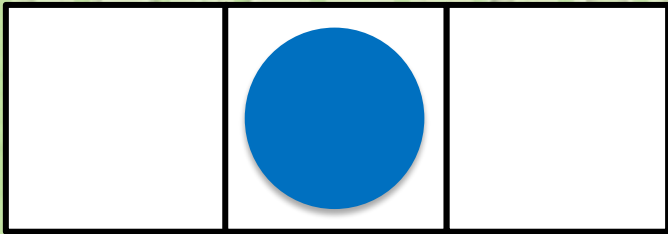

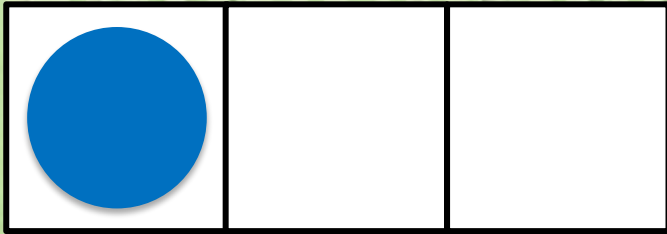

1. Дифференциация звуков на слух и в произношении;
2. Развитие навыка определения места звука в слове (с опорой на картинки).

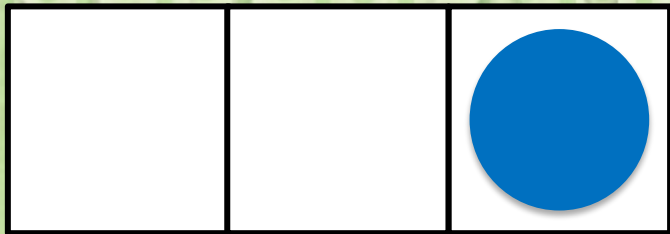

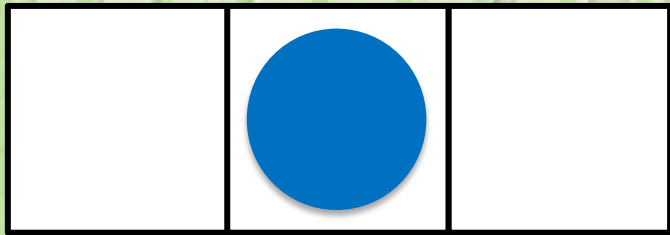

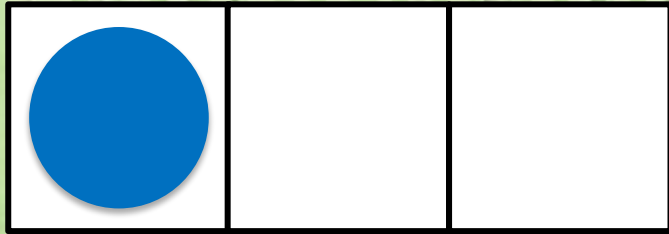

## Содержание:

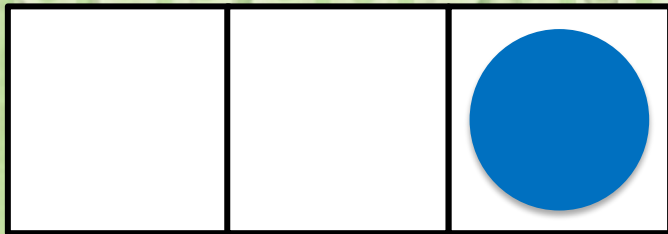

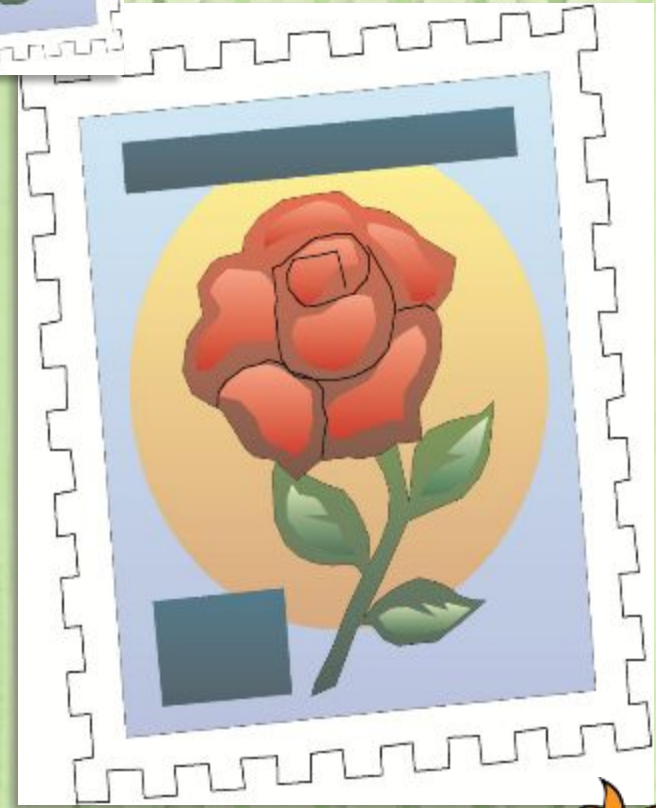

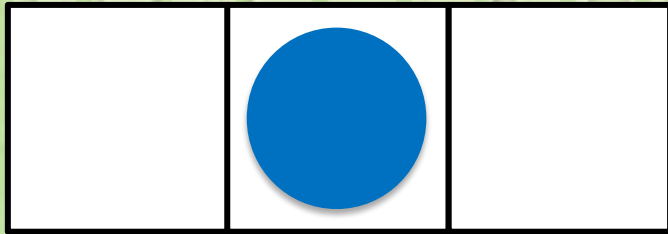

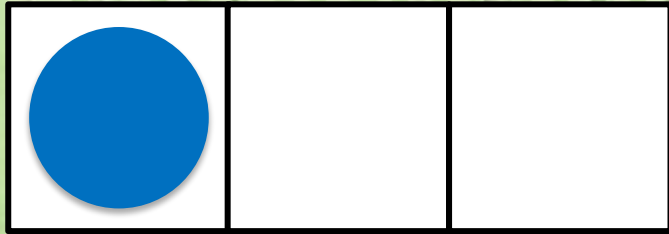

Ребёнку предлагается узнать предмет, произнести и определить место звука [М] в слове (начало, середина или конец), найти соответствующую схему. Проверить правильность выбора.
