Гагарин*

■ *Герман Титов*

A close-up portrait of Valentina Tereshkova, the first woman in space, wearing a white space helmet and oxygen mask. She has dark, wavy hair and is looking slightly to the right of the camera with a neutral expression. The background is dark with some faint light streaks, suggesting a space environment. The image is framed by a blue border with a subtle wave pattern on the right side.

■ *Валентина Терешкова*
