

# Ремесла на Кубани

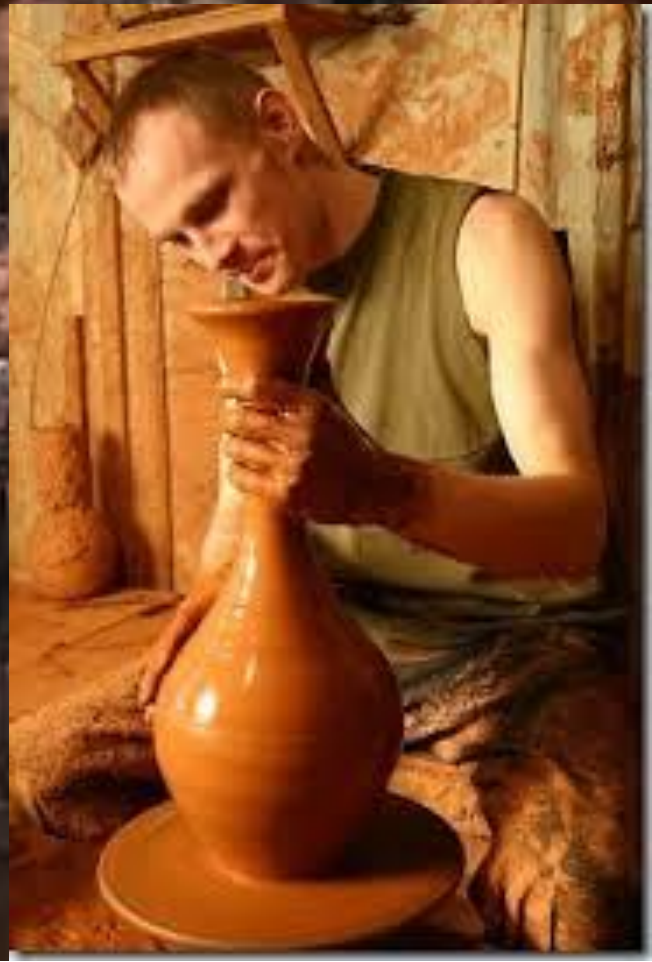

The background of the image is a dense display of various hand-painted ceramic items. There are numerous plates of different shapes and sizes, some with intricate floral patterns, others with geometric designs, and some featuring depictions of animals or figures. The colors used are vibrant, including blues, yellows, greens, and reds. Some items are stacked, while others are laid out flat. The overall appearance is that of a traditional craft market or a workshop showcasing local pottery.
