A winter festival float is shown on a snowy ground. The float features two brown teepees with colorful poles (yellow, green, and blue) on either side. Between the teepees is a backdrop of a snowy forest with evergreen trees. The float is decorated with clusters of red, white, and blue balloons. A person in a blue hooded costume is visible on the right side of the float. A large white banner with red Cyrillic text is attached to the front of the float. A person in a brown jacket and blue pants stands in the snow in the foreground, looking towards the float. A pink and yellow inflatable object is visible in the top right corner.
