A vibrant landscape featuring a bright sun in the top left corner, a large rainbow arching across a blue sky with scattered white clouds. Below the sky is a rolling green hill. In the foreground, a lush green field is filled with numerous white daisies with yellow centers. A few butterflies are visible: one black and white butterfly is in the middle ground, and a red and black butterfly is near the bottom left. In the bottom right corner, there is a small, semi-transparent speaker icon.
