A 3x3 grid of numbers is displayed on a dark blue background. The grid is composed of cyan-colored cells with black borders. The numbers are arranged as follows:

8	3	4
1	5	9
6	7	2

There are four yellow four-pointed stars on the dark blue background: one in the top-left corner, one in the bottom-left corner, one in the middle-right area, and one small one centered above the top-middle cell of the grid.
