

«Моя семья - моё богатство»

Happy Father's Day
Created by www.wallcoo.com | May 2008

The was very angry with me, w
I had done. He talked about
and spying and persecution. He
of persecutions of himself and his
by the same way."

persecution angle—very little—
Mr. Scilham does not under-
stand that he and his class have been put
of the lawlessness of the generation
use they were in crooked, the whole
and in the revolution came. That is why
help him now. It is political now, not
help him now. No one would dis-
of public feeling. In a way, he and a lot
sacrifices of attendance for the sake of man-
gton and his friends," she said.

looked at her watch, "What time were you
try as possible. It doesn't matter. She'll wait."
to her waiting. Before you go there's one more
a way...". He waited and saw the color rising
ton's face. She frowned a little and then said

"I don't know."
"I don't believe in victory any more."
"What do you believe in?"
"I am very sure to have stayed so long. But I like to sit
talk with you."
"It is very nice to talk again. I said that about sleeping."
"We stood up and shook hands in the dark."

"I don't know."
"I don't believe in victory any more."
"What do you believe in?"
"I am very sure to have stayed so long. But I like to sit
talk with you."
"It is very nice to talk again. I said that about sleeping."
"We stood up and shook hands in the dark."
