

A vibrant landscape scene framed by a circular border. The top half shows a bright blue sky with wispy white clouds and two birds in flight. The bottom half shows a lush green field with a path of light-colored rocks leading through it. The left side of the frame is decorated with white blossoms on dark branches, and the right side is decorated with green leaves and yellow flowers. The word "BECHA." is written in a bold, green, serif font across the center of the image.

**BECHA.**
