1 серия

A vibrant, cinematic-themed graphic. The background is a dark blue space filled with white stars and bright blue light rays radiating from the center. In the foreground, there are several golden film strips and stars scattered around. A large, ornate, golden frame with a scalloped top and bottom edge, decorated with small lights, is centered. Inside this frame is a white rectangular area with a faint grid pattern. The word 'Карпузы' is written in a bold, blue, sans-serif font across the center of this white area. To the left of the frame is a large, silver film reel, and to the right is a clapperboard. The overall aesthetic is that of a classic movie poster or title card.
