Христос воскрес!

ХРИСТОС

*Христос Воскрес и ад Им побежден.
Христос Воскрес и мир Им искуплен.
Христос Воскрес и ангелы ликуют.
Христос Воскрес и люди торжествуют.
Христос Воскрес и рай открыт для нас.
Христос Воскрес и сила ада пала.
Христос Воскрес и стерто смерти жало.
Христос Воскрес и мир от муки спас.*

ВОСКРЕСЕ!

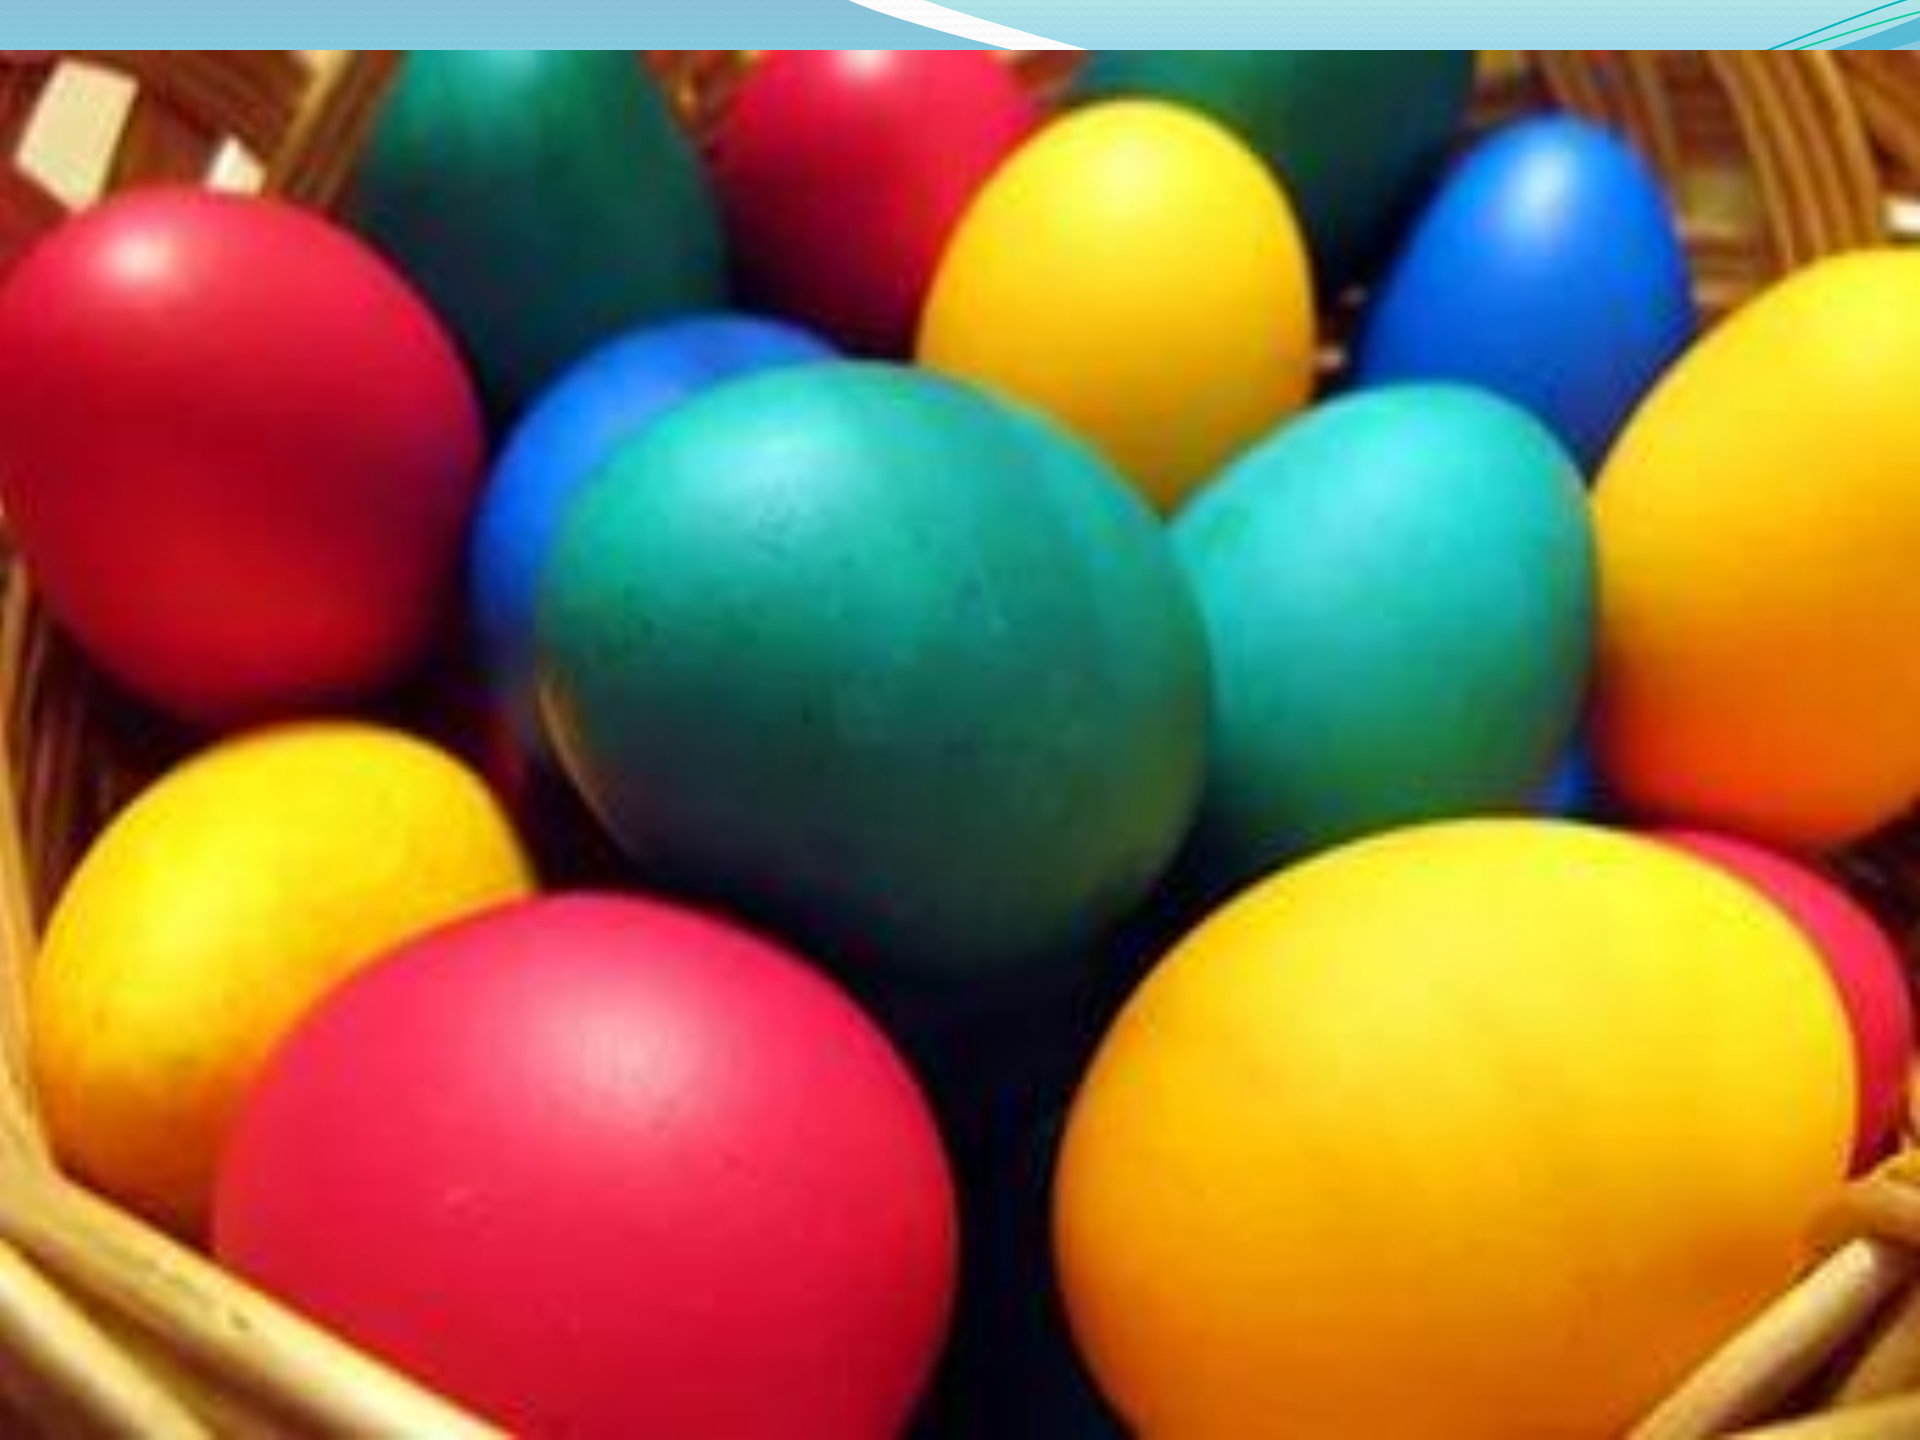

БЕЛЫЙ ПОСТ

*Христос
воскресе!*

A close-up photograph of several red Easter eggs. The eggs are decorated with intricate gold patterns, including floral designs and small star-like motifs. One egg in the foreground is prominently displayed, featuring the Russian text 'С ДНЕМ СВЕТЛОЙ ПАМЯТИ!' (Happy Day of Light Memory!) written in gold, stylized Cyrillic letters. The background shows other similar eggs, some slightly out of focus, creating a sense of depth. The lighting is warm, highlighting the glossy texture of the red paint and the metallic sheen of the gold decorations.
