ОДИНОКИЙ

Поз..няя ос..нь. За ре..кими берё..ками видна
п..лоска звёз..ного неба. В выш..не плывёт
журавлиная стая.

Бли..ко слышу зов журавля. Вижу одинокую
фигуру в н..зине. Почему он один? Почему не л..
тит со всеми?

Журавль с опаской гл..дит на меня. Вот он разб..
жался и легко взлетел. Звучит его грус..ный
крик.
